## GC Man, 26, Killed As Sports Car Rolls Over

Auto of N. J. Fetter  
Goes Down 25-Foot  
Embankment near Alton

Nicholas J. Fetter, 26, of 2144 Waterman avenue, was killed at 4:45 p.m. Tuesday when a sports car went down an embankment and overturned on U. S. Highway 67, near West Alton, Mo. He was pronounced dead at St. Joseph's Hospital. In local area accidents, four persons were hurt in four of 16 crashes.

Mr. Fetter is the son of Mr. and Mrs. Harold Fetter of the same address. For the past ten years, his mother, Mabelle, has taught eighth and ninth grade block and English courses at Coolidge junior high school. His father is a carpenter and millwright. The younger Mr. Fetter was unmarried and an only child.

According to the Missouri Highway Patrol, he was going north on the four-lane divided highway, a half mile north of Route 67, when his convertible ran off the left side of the road and plunged down a 25-foot embankment.

He was thrown from the vehicle, which overturned several times and landed in the south-bound traffic lanes. There were no passengers.

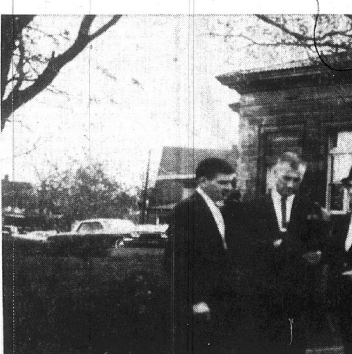

Born in Prairie Grove, Ark., Mr. Fetter was graduated in 1956 from Granite City high school, which he attended in his senior year. He was a student at the University of Arkansas for 18 months prior to enlisting in the Army. For more than four years, he served with the Army's Security Division and was stationed in the Aleutian Islands and in Europe.

Mr. Fetter was discharged from the service 2½ years ago and since that time had been employed at McDonnell Aircraft Corp. He had continued his education in evening and summer school sessions at Southern Illinois University—Southwestern Campus, Alton and East St. Louis centers. In recent months, he had started training as an engraver in McDonnell's automation department.

Funeral arrangements are given in today's obituary column. Engine Hits Truck

Billy D. Whitt, 21, of 1228 Edwards road, was injured when a truck he was driving was struck by a Granite City Steel Co. locomotive at 8:40 p.m. Monday at the 19th street and Edwards road rail crossing.

He was admitted to St. Elizabeth Hospital with swelling in his forehead, lacerated nose and (Continued on Page 26, Col. 8.)

### Campaign at 99.1%

## Wanted—\$3593 to Reach \$348,500 UF Goal

Today's count shows the United Capital volunteers who are going Fund campaign for 22 Quad-City all out to personally talk to every area health, welfare and character prospect not reached during the first building agencies in a more regular campaign. \$3393, or 99.1% short of reaching the \$348,500 goal for 1966.

John R. Hundley, campaign unit chair, reported pledges now totaling \$344,907, and he praised this week's work of the 12 campaign community response in this respect.

It is encouraging to note the several other sections of the campaign divisions have topped their individual goals.

Included are Freeman Wolfe's contractors section of the Industrial Firms Division, 100.4%; the entire Industrial Employees Division, headed by Mitchell Miloski and William B. Webb Jr., 101.1%.

In the Commercial Division, the auto sales and service section, headed by Harry Wolff, has gone to 100.4% and the wholesale and miscellaneous section, headed by Charles Meyer and Carl Roach, has gone to 101.4%.

Relatives here the following day said he felt that he was one of the lucky ones. Employed by the American Telephone & Telegraph Co., Wieser left the firm's main southern office at 9 p.m., caught an elevated train and was about a third of the way home when the blackout hit at 8:30 p.m.

After being stalled on the train for some time, he managed to get a taxi cab which he took as far as he could, relatives relayed, and then he was met by his wife.

Though telephone lines to the East were jammed, he received three long-distance calls from Granite City residents that night. Wieser is a member of the Granite City Alderman.

Barry Loman, park board president; Dr. Loren Taylor, acting chairman of the Recreation and outdoor education department at SIU; and Milton Worthen, park vice-president.

## Portable Rooms Being Readied at Stallings School

(Picture on Page 5.)

The gymnasium at Stallings grade school is to be returned to its original purpose next week instead of housing classrooms.

Yesterday morning the two portable classrooms rolled up on wheels in front of the school, and Supt. Russell D. Johnson said the added facilities should be available to pupils next week.

"It takes about 2½ days for each of the classrooms to be readied," Johnson said.

Workmen started yesterday to place and prepare the two rooms, which closely resembled trailers when they arrived, pulled by trucks.

They were placed on the west side of the present nine-room school building. Enrollment at Stallings school is over 400 pupils.

Similar classrooms are complete in two other schools in the district and will not be connected to the present school building.

Each has its own heating unit, lighting, toilet facilities and water.

The four separate parts of the pre-fab buildings (two for each classroom) arrived from Michigan.

## GC Park District Ready to Raze Old PO

Final Word from U. S.  
Expected by Dec. 1st;  
SIU to Design Park

Plans and designs for a downtown park at the site of the old Granite City post office building were initiated Tuesday by Southern Illinois University experts.

The park district is hopeful that title to the building and triangular tract will be acquired by Dec. 1 from the U. S. Department of Interior, and that demolition of the old building can be started immediately.

Barry Loman, park board president, said funds for the district's purchase of the downtown site were available through a public subscription of local business and civic leaders.

While checking the home of Virgil Mercer, 2044 Ponton road, who is on vacation in Florida, a neighbor, Edridge Lyons, 2030 Ponton road, discovered a door glass broken. He and investigating officers found nothing disturbed yesterday.

A 1956 black station wagon owned by Robert Hankins, 4140 Ponton road, was stolen from the American Steel Foundries parking lot between 3 and 11 p.m. Monday, he reported to police at 11:10 p.m. It was recovered Tuesday evening on Highway 37 by Madison county authorities who had it towed to a garage.

## 3 Undergo Surgery At Local Hospital

The following are recovering at St. Elizabeth Hospital from surgery which they underwent Monday:

Robert E. Eavenson, 221 Terminal avenue; John Ferguson, 2106 Miralene avenue; Peggy Stokton, 2333 Paul street.

## Burglars Spotted In Three Attempts Here Last Night

Thieves were frightened away by occupants in two of three attempted house burglaries occurring within an area of a few blocks in Granite City last night.

One had success as Scout Executive Eugene Coe, 2501 Cleveland blvd., reported at 10:50 p.m. that a bedroom window had been opened while he was watching television in his den, and then at 6:50 a.m. today discovered that two women's purses were missing, containing 88 credit cards and driver's license. The purses were found in a yard across the street with the money and credit cards missing.

Mr. and Mrs. Adolph Bernard, 2446 State street, reported seeing a burglar in a bedroom window at 11:20 p.m. but she screamed and the burglar fled.

Ben. Stephan Kroteff, 2008 Union street, reported this morning that a front bedroom window screen had been removed Tuesday afternoon with Dr. Loman Taylor, acting director of the Recreation and Outdoor Education Department of SIU, Carbondale.

The park board officials designated the trees to be left on the site which is bounded by Niedringhaus and Delmar avenues and 20th street.

They were Thomas Gohlson, James Gilstrap and Charles Wilman, who will conduct a study on the preferred usage of the site and complete designs which will be discussed by the entire board.

The design is expected to be available to the park district in two weeks to a month.

While checking the park district is preparing a contract for demolition of the post office building and the railroad car.

The razing once the tract is turned over to the park district by the U. S. government.

## Federal Aid To Upgrade Teaching Program

4-Year Plan Provides  
For 4 Consultants on  
Mathematics in GC

Establishment of a federally-financed program to improve mathematics instruction for Granite City students was authorized Monday night by the school board, which expects to receive \$25,984 initially under the 1965 elementary-secondary education law.

A portable room is to be set up in the high grade school campus to serve as the headquarters for a staff of five, including four professional staff members. Continuous in-service teacher training will be combined with mathematics curriculum enrichment, supplementation, modernization and coordination.

One of the four new employees qualified in the fields of mathematics and instruction, will be working director of the project.

They will periodically contact teachers at each school, recommend and assist in the use of educationally sound experimental methods and materials, and coordinate mathematics instruction from kindergarten through the twelfth grade.

The program approved by the board was presented by Supt. Russell D. Johnson and Administrative Assistant Bob J. Davis, who is coordinating federal aid programs for the school system.

Mrs. Georgina VanBuskirk and Robert Nelson developed a detailed report and plan in connection with the "Project Countdown" program.

Joined by Other Agencies

Careful and educational agencies participating in the planning included a University of Missouri faculty member, St. Elizabeth, St. Joseph, Sacred Heart and St. Margaret-Mary Catholic schools, and the Granite City library, park district and housing authority.

A four-year period has been planned, with the first \$25,984 budget for January-June 1966, \$48,713 for July 1966-June 1967 and \$50,886 for 1967-68.

At the end of the first four years, it is anticipated that teacher training, textbook adoption, professional library build-up, acquisition of materials, furniture and office equipment and writing (Continued on Page 26, Col. 7.)

## Christmas Clubs Sending \$450,759 To 5115 Members

Over 5100 Quad-Cityans will have additional funds totaling \$450,759 to pay for their Christmas gifts this year as the result of savings programs in Christmas clubs at Granite City banks and savings and loan associations. The average is more than \$88 per person.

Checks were being mailed today by the American National Bank and by the First Granite City National Bank. The First Granite City Savings Loan Association mailed theirs yesterday, and the Granite City Trust & Savings Bank mailed checks two weeks ago.

Madison County Federal Savings & Loan Association will mail checks to its club members on Wednesday.

New Christmas club programs for 1966 are getting under way. One started on Dec. 1 and another will begin on Dec. 1.

### Local Route Revisions

## Quad-City-Alton Bus Route Link Will Begin Nov. 29

New Bi-State Transit System bus routing extending local service to Alton will go into effect Monday, Nov. 29, it was announced today.

"The routing and service changes involve the present Alton, St. Louis, Wood River-Alton, Mitchell and McKinley Bridge lines," a spokesman explained.

## Former Alderman Stalled in East

It took Arthur Wieser, former Granite City, five hours to reach his home in Berkeley Heights, N. J., from Manhattan Tuesday night during the East's power blackout.

Relatives here the following day said he felt that he was one of the lucky ones. Employed by the American Telephone & Telegraph Co., Wieser left the firm's main southern office at 9 p.m., caught an elevated train and was about a third of the way home when the blackout hit at 8:30 p.m.

After being stalled on the train for some time, he managed to get a taxi cab which he took as far as he could, relatives relayed, and then he was met by his wife.

Though telephone lines to the East were jammed, he received three long-distance calls from Granite City residents that night. Wieser is a member of the Granite City Alderman.

Although a log was not set by the advisory board for the 1965 campaign, Lt. Gordon said it probably will be increased slightly over the 1964 figure of \$6000. He reported more than 100 applications for Christmas baskets have been received since the local Salvation Army office began accepting them Monday.

About 500 letters of appeal will be sent next week to business firms, organizations and individuals, who have supported previous "Tree of Lights" campaigns, the chairman said. Last year, 279 letters were placed on the tree in Memorial Park, each one representing a \$25 donation to the fund.

Ten members of the advisory board attended the luncheon meeting.

## 'Tree of Lights' Fund Campaign To Start Dec. 4

Roy Lynn was appointed chairman of the Salvation Army's 1965 "Tree of Lights" kickoff committee at a luncheon meeting of the advisory board held yesterday in the Grand Cafe. Kickoff ceremonies tentatively were scheduled for 2 p.m. Saturday, Dec. 4.

Lynn will serve with Harry R. Johnson of Madison, who was named chairman of the "Tree of Lights" annual drive. Also appointed to the committee were Alfred Stoevel, Lt. Ronald Gordon and Christ Pashoff, advisory board chairman.

The sale of delinquent tax properties will be started on Monday, Dec. 13, and will continue until all properties are offered for sale. The tax sale will be held in Edwardsville at the office of George Musso, county treasurer, at the court house.

Following the sale for each individual township, taxes must be paid or redeemed in the office of the county clerk.

## Nameoki Township Delinquent Tax List is Published

Appearing in today's issue is the delinquent list of unpaid taxes for 1964 and all other taxes due and payable in 1965 for Nameoki township. The listing appears on pages 48, 49 and 50.

The sale of delinquent tax properties will be started on Monday, Dec. 13, and will continue until all properties are offered for sale. The tax sale will be held in Edwardsville at the office of George Musso, county treasurer, at the court house.

Following the sale for each individual township, taxes must be paid or redeemed in the office of the county clerk.

## Retail Stores Open Tonight

Retail stores in the Quad-Cities, members of the Associated Retailers, will be open until 8:30 this evening for the convenience of shoppers.

The stores recently added Thursday evening to the night hours in addition to the 8:30 p.m. hour opening on Monday and Friday nights.

## Blood Alcohol Tests to be Given in all Fatal Crashes

"Testing of blood alcohol and carbon monoxide in all fatal traffic accidents will begin Jan. 1, 1966, the Illinois State Medical Society reported today.

The study, first in the nation of its kind, is being conducted to determine the relationship between blood alcohol and carbon monoxide poisoning to traffic fatalities.

Under amendments to the "Coroner's Bill" (HB 1262) — signed into law by Gov. Kerner during the last session of the Legislature — all Illinois county coroners will be responsible for taking blood samples on an estimated 2000 traffic fatalities in 1966, including pedestrians. Blood specimens will be taken from all persons involved in all accidents where a death occurs.

Dr. Julius M. Kowalski, chairman of the Illinois State Medical Society Public Safety Committee, said the Illinois Department of Public Health will soon begin distributing blood sample containers to the coroners. The samples, except for Cook county, will be sent to the state laboratory for an analysis.

The study is being carried out as a joint project of the Illinois State Medical Society, Illinois Department of Public Health, Governor's Official Traffic Safety Coordinating Committee and the Illinois Coroner's Association.

About 40 Applications

Robert Glenn, manager of the Madison County Illinois Public Safety office at Edwardsville, said that his office thus far has had applications for 40 applications, but that only 18 families are on the rolls now. He said he was unable to state how much tax money this would involve since ADL statements are based on the number of children in each family, and the circumstances of financial straits in each case.

A check of Quad-City township office files disclosed that only a small number of direct relief cases are on the rolls as a result of the strike.

Granite City has four cases, Chouteau township only one, Nameoki township, one, and Venice township none. Officials of Venice township said they have had no applications for relief while Chouteau township officials said they had about six to eight (Continued on page 8, col. 1)

## Kenneth Mayes, Former Resident, Killed in Crash

Kenneth Michael Mayes, 17, who moved with his family from Granite City to Roselle, Mo., just two months ago, was killed at 6:15 p.m. yesterday in a motorcycle-car collision on Missouri Highway 72 near his home in the North Mayes, is employed in the north plant at Granite City Steel Co.

A sophomore at the Ironton, Mo., high school, the youth, according to reports to the family, was struck from behind by an auto while riding his motorcycle without lights. An eight-year-old boy, Claudius Newhouse, who is believed to be the son of a neighbor, was also injured in the crash at the time of the accident.

He is in serious condition at St. Elizabeth's Hospital. The family had resided in Roselle for 12 years along Denver street.

Besides his parents, he is survived by two brothers, Terry and Ronald Mayes, both at home; two sisters, Bill Mayes and Charles Clark; and an aunt, Mrs. Earl (Shirley) Evans, all of Granite City. Eight cousins also live in Granite City.

Funeral arrangements are given in today's obituary column.

## GC Schools Join in Taking Rail Tax Case to U. S. Court

The Granite City school board Monday night decided to participate in a joint appeal of an Illinois Supreme Court railroad tax settlement verdict, but under a revised agreement.

Under the new plan, Attorney U. S. Supreme Court because the Burton Bernard will not receive a share of any of the money set aside by the courts as due Madison county taxing bodies. The grand total of taxes assessed by 12 railroads is several hundred thousand dollars, School Superintendent D. Johnson said.

Bernard will receive as his commission for handling the case 30% of any additional funds obtained.

Another stipulation is that the Granite City school system will not be obligated in any way for the costs of litigation in order for Monday night's agreement to be valid, the County Board of Supervisors is to pay for costs encountered in appealing to the U. S. Supreme Court.

Viewed as Deterrent

"The fact that the case may be heard by the U. S. Supreme Court does not preclude the possibilities of future objections, but I believe that it might serve as a deterrent," Supt. Johnson told the board.

Current indications are that 14 of the 15 Madison county school districts will authorize the court appeal. The possible exception is Alton.

Last week, Circuit Judge Thaddeus V. Adesko of Chicago ordered more than \$2 million in taxes refunded to 14 railroads which contended that Cook county properties were unfairly assessed. The Illinois Supreme Court had ruled in May that \$340,000 in taxes held in escrow should be refunded to the Chicago, Burlington & Quincy Railroad in a Cook county tax objection case. Judge Adesko had ruled earlier that a 50% assessment of railroad property was not unfair.

County Objections

In a separate group of cases, Madison County Circuit Judge James O. Monroe Jr. ruled on Aug. 26, 1964 that 13 railroads operating in this county, having filed 52 tax objections in 1957-62, were not entitled to the full amounts of refunds claimed on alleged inequities in assessing railroad property and other types of property.

Acting on the railroads' appeal, the top state court on June 24 set aside Monroe's decision and said the railroads should get back about \$900,000 more in tax refunds than they would have received under the Third Circuit Court verdict.

The 14 school districts since have been working out arrangements for an appeal; they account for over half of the total property taxes in dispute. An original proposal called for direct hiring of Bernard by the school systems, with the 30% fee applying to the total of any judgment.

Assessed by State

Railroad property is assessed by the director of the Illinois Department of Revenue. Railroads have contended in their objections that they are assessed at 100% of fair cash value and that other property is assessed locally at only 50%. Monroe said railroad assessing is 58% to 85% of value. Despite the state rule in assessing, the state provides no legal assistance to county state's attorneys.

An assistant state's attorney, Bernard would handle the appeal as a private attorney due to the amount of work and time involved in the complex case.

## Bi-State To Buy St. Louis Service Car Corporation

The Bi-State Development Agency board of commissioners Monday afternoon to purchase the franchise of the operators of service cars in St. Louis at a cost of \$825,000. The board said the service cars will be eliminated after the purchase contract is completed and will step up the public transit system, operated by Bi-State, in areas where service cars now are operating.

Bi-State commissioners also approved plans for a rapid transit study to be made by a New York engineering firm if funds can be obtained, and gave Col. R. E. Smyser, executive director, the go-ahead to execute a contract for rental of automatic ticket equipment for the Arch railway project to be operated by Bi-State.

The decision to eliminate service cars as a competing transportation facility also will call for the purchase of a sufficient number of new, air-conditioned buses to meet the increased demand upon the bus system. The action was taken under a recommendation by Bi-State's consulting engineers, W. C. Gilman & Co. of New York. The agency will pay the \$825,000 purchase cost over a period of five years.

To Recover Investment

John C. Baine, president of Transit Services Corp., which operates the transit system for Bi-State, said that figures provided by the engineers "the investment required to purchase the service car operations would be recovered by the transit system within a period of less than two years."

He pointed out that transit routes in the service car area will be materially strengthened providing much more frequent service than at present and that improved transit service, projected to be more reliable and the span of operation longer than the present service car operations.

The commissioners said that 80 service car drivers who are deprived of employment because of the elimination of service cars, may apply to the Transit Services Corporation for employment. If they qualify they will be employed as bus drivers as openings become available.

The rapid transit study authorized by the commissioners would require a \$150,000 investment by the agency to obtain a federal grant of the other two thirds of the cost.

To Rent Equipment

Col. Smyser was authorized to rent modern, automatic ticket equipment for the Arch railway project for which equipment will be ready by April. The Commissioners discussed, however, the possibility that a six to nine months delay in inaugurating the system will be incurred by recent Civil Rights complaints that contractors are discriminating in employment for completion of the Arch.

A promised federal investigation of the project to tie up completion of the work. The agency will lose approximately \$1500 per day in potential revenue during the period of delay in completion of the Arch, Col. Smyser told the board.

The board also approved an increase in annual salaries of management personnel of the transit corporation from \$230,000 to \$255,000. Col. Smyser told the commissioners that under the original contract, the matter of salary was to be reopened within 18 months after beginning of the transit corporation. Nothing has been done in two and a half years, he explained. The new agreement will be for a five-year period.

### Collide in Madison

Cars driven by Jewell D. Gregg, 1604 Third street, Madison, and Charles N. Zukas, 1817 Edwardsville road, Madison, were damaged Tuesday at 10:10 a.m. in a collision at Third street and Washington avenue. Madison, Gregg was heading east on Third and Zukas was driving south on Washington. Gregg's car was damaged on the left side and Zukas' auto on the left front.

December draft quotas for the Quad-Cities area were announced this week at the county selective service office in Edwardsville in advance of the departure of youths to fill the November quotas.

Three local area youths are to be drafted Dec. 10, and a large group of 145 youths is to report for pre-induction physical examinations on Dec. 17.

In the pre-draft physical exam group for December will be youths who will be at least 18 years and nine months old by

Dec. 1 and up to 22 years old by that date.

The December draft quota of three is to be filled by youths at least 19 years old by Dec. 1. No married men from the Quad-Cities are to be drafted next month, an official of the county office said. The draft age bracket next month will be 19 to 24.

This month's quota of 54 Quad-Cityans to be drafted is not expected to be filled since a number of eligible young men have enlisted in the armed forces, it was learned.

The quota was set last month and is the largest for the area in recent years. The total November draft call for the county is 108 men.

Pre-draft physicals are to be given 48 Quad-City youths on Nov. 26. The total for the county is 233 men.

December quotas for the county add 78 Alton area men and six Edwardsville youths to be drafted and pre-draft physicals for 88 Alton area youths and 160 from the Edwardsville area.

### Provincial Council Holds Election

Sister Mary Paul, Superior of the Sisters of Divine Providence and supervisor of the X-Ray department at St. Elizabeth Hospital, was elected to the Provincial Council of the St. Louis Province of the Sisters of Divine Providence, it was announced yesterday.

Mother Mary William, former administrator at the hospital, was re-elected Mother Provincial. Sister Cecelia, formerly principal and superior at St. Elizabeth's school in Granite City, was elected first assistant, and Sister Mary Margaret of Venice was elected second assistant.

Mother M. Lucina, recently arrived from Rome and also a former administrator at St. Elizabeth Hospital, was elected fourth

### Rev. Howard White to Hold Revival Here Nov. 15-21

Rev. Howard White will be the evangelist for the fall revival meeting to be held at Grace Baptist Church, 2000 Edwards street, Nov. 15 through Nov. 21, according to an announcement by the pastor, Rev. Clifford Moeller.

Rev. White, a former pastor of the First Baptist Church in Centralia, Mo.

The services are to be held each evening at 7:30 and a

nursery will be provided for children from infants through three years.

Ronald Joyce, music director of the church, who will be in charge of the song services, has announced there will be special music, solo's anthems by the choir, and ensembles at each of the services.

During this week the church has been meeting in prayer both morning and evening in behalf of the coming revival.

The church will observe its eighth anniversary Nov. 17. Recently the property at 2601 Edwards street was purchased for further expansion. The congregation moved into its present sanctuary six years ago.

### Funeral Services for Brother of Mrs. Ramsey

Private funeral services were held Tuesday in Belleville for Damon J. Borden, 64, East St. Louis, brother of Mrs. R. U. Ramsey, 2512 Adams street. He lived at 514 Collinsville avenue and died at 8:30 a.m. Sunday in St. Mary's Hospital, East St. Louis, where he had been a patient 12 hours. He had been ill with an arthritic condition for several years, and his death was attributed to pneumonia.

He was born in Belleville and resided most of his life in the East St. Louis area. Until his illness, Mr. Borden had been employed as a railroad repair worker. Besides Mrs. Ramsey, he was survived by two other sisters, Mrs. Dewey (Alta) Exendine, Belleville, and Mrs. Mary Wilgus, East St. Louis.

### County Workers Seek \$40 Pay Hike

Employees of Madison county who are members of State, County and Municipal Employees Local 799 are seeking a \$40-a-month, across-the-board pay increase. It was announced this week by Miss Evelyn Bowles, president of the Local.

It has been estimated such a pay boost would cost the county about \$150,000 a year, or an amount the county expects to receive in additional general revenue funds next year. The union represents about half of the county's 300 employees.

Last year a pay increase request was withdrawn because of county finances. The last pay hike for county employees was a \$10 a month increase in 1963, Miss Bowles pointed out.

Delegates of the union and the county board's finance committee are to meet again before the proposal is presented to the board of supervisors, possibly next Tuesday.

### Third Class in Baton Twirling Being Added

Enthusiastic response to free baton twirling lessons for beginners in the first through sixth grades has required the addition of a third weekly class to be held from 4 to 5 p.m. each Thursday, Granite City Park Supt. Harold Brown said today.

The twirling program was included for the first time this year in the park district's winter recreational schedule.

About 60 girls as enrolled in the program, conducted at the Marilyn Champion School of Baton, Niedringhaus avenue and Iowa street. Present classes are held each Monday and Wednesday from 4 to 5 p.m.

Brown said that by adding a third session, openings will be created for 15 more beginning students. Several twirlers already enrolled may be assigned to the new class, he added. Girls may wear shorts or slim jims to the sessions and must provide their own baton. Instruction is provided free of charge to park district residents.

### Sideswipe on Bridge

Two autos were damaged on the east approach of McKinley bridge in Venice at 8:55 a.m. Wednesday. Police reported that cars driven by O. F. Richard Jr., 49, St. Louis, and David J. Brane, 32, also of St. Louis, sideswiped as they rounded the approach by two other vehicles, Mrs. Dewey (Alta) Exendine, Belleville, and Mrs. Mary Wilgus, East St. Louis.

## No 'Likelihood' of Power Failure in Area-Mathias

It is extremely "unlikely" that the Quad-City area or any other districts in the Illinois-Missouri Metropolitan area could be hit by a power failure similar to that which darkened seven eastern states, including all of New York City, last Tuesday night, according to Carl Mathias, manager of the Illinois Power Co. local offices.

Mathias pointed out that it is impossible for anyone to say as a certainty that something cannot happen, but he noted that while Illinois Power Co. is part of a power-pooling program in the metropolitan area, the system is so designed that an occurrence such as that in the east would require a series of simultaneous incidents that appear very unlikely.

The advantages to power customers, economically, as a result of the pooling program, are great enough that no power utility could afford to operate individually in a large area such as this merely through concern about something that probably never would happen, Mathias said. Through power pooling, he explained, individual utilities can operate large equipment that requires power at cheaper rates, he added.

Illinois Power Co. is part of an area-wide power pool that also includes Union Electric Co. and the Central Illinois Public Service. According to the local manager, the last three reductions in rates for Quad-City customers was made possible through the pooling program.

## Illinois Power Has Ample Gas Supply in Area

A plan to provide more natural gas supplies for the Illinois-Missouri Metropolitan area may mean more available gas for larger industries dealing directly with the suppliers, but Illinois Power Co. has ample supplies in this area and has no concern over the possibility of a shortage, Carl Mathias, manager of the Illinois Power Co. in Granite City, said today.

Referring to an announced program by Mississippi River Transmission Corp., St. Louis, in which it will join with Natural Gas Pipeline Co. of America and Trunkline Gas Co. in providing an additional 100,000,000 cubic feet of gas per day next winter, Mathias said that this will make more gas available to Illinois Power, there is no existing shortage and none in the future even during the coldest months of the approaching winter.

"We have ample supplies at the present time for every possible need and have sufficient supplies to serve new industries if we were called upon to do so," Mathias said.

The companies propose to bring in an additional 100,000,000 cubic feet of gas per day during the winter months, an increase of 17% over the present delivery of around 70,000,000 cubic feet. Seven percent of this increase would be allotted to Illinois Power Co. which serves this area.

Application to the Federal Power Commission for such a plan, if approved, would settle a three-year competition being fought for a permit to bring gas into the area. The commission last September denied a petition of the Oklahoma-Illinois Gas Pipeline Co. to build a \$62,000,000 pipeline from the Oklahoma fields to the St. Louis area. The plan is to be filed by Dec. 8.

Mathias pointed out that a group of 14 Illinois industries, known as the Granite City group, which has been seeking increased supplies, deal directly with Mississippi in obtaining their gas supplies and are not served through Illinois Power Co. lines. Their negotiations for increased winter supplies, which has included their appearance before the FPC in the past, and the cases would be with Mississippi Transmission and not Illinois Power, he pointed out.

## Charge Unfair Acts In Power Walkout

The Union Electric Co. strike in which 1200 men—including 300 at the Venice steam plant—went into its ninth day today, ended with filing by the union of unfair labor practices against the company. The charges were filed with the St. Louis regional office of the National Labor Relations board.

The strike of Operating Engineers Local 488 started Nov. 2 in a dispute over a new contract to replace the old one that expired last July 1. Major issue involves the method of hiring employees for the company's new Alton Lake plant in Missouri which will open the latter part of next year.

About 80% of the office workers, members of the International Brotherhood of Electrical Workers, crossed picket lines Wednesday and returned to work at the company's main office in St. Louis.

## Mihu Going to Hawaii

George Mihu, son of Mrs. Catherine Mihu, 2908 Victory drive, is enroute to Honolulu, after leaving here this week to serve for six months as a Radio Corporation of America electronics engineer. He had been an RCA teacher at the Camp Lejeune, N. C., Marine Corps communications school since retiring from the Navy in December 1964 after 22 years as a senior chief electronics technician.

## Chicken Well Done

Firemen were called at 9:50 a.m. Wednesday to the home of Alice Earls, 908 West 21st street, where a pan on the kitchen stove was burning. There was no damage but the report said chicken in the pan was "well done."

## School Studying Traffic, Reject Coolidge Fence

The Granite City school board agreed Monday night to help seek a solution for pedestrian traffic problems along Nameeki road but ruled out a fence along the Coolidge junior high school and Granite City high school campus.

The fence proposal had been voiced by Sixth Ward Alderman Gerald Parney at the Oct. 27 school board meeting. He urged that Coolidge pupils be limited to crossing Nameeki road at two points, Johnson road and Jill avenue.

Supt. Russell D. Johnson reported that the area bordering the Coolidge sidewalk on the east is state highway property and cannot be used for a fence. He said a fence would detract from the appearance of the school and would be ineffective unless it was very tall.

## Nameeki School Hazards

The topic will be referred to the Municipal Coordinating Committee, city, school and park officials next Wednesday night along with traffic hazards in front of Nameeki grade school—lack of a school crossing sign for westbound traffic, inadequate street lighting and a low pavement area where rainwater accumulates.

Discussing the Nameeki school, Supt. Johnson said the school district will replace a temporary barricade with a permanent one at a parking lot entrance, and will fill in low areas of the lot.

In the Coordinating Committee meeting, "ill-defined school traffic zones and inconsistent speed limits" will be pointed out.

## Boy Scout Long-Range Plan Report Tonight

Carl E. Mathias, chairman of long-range planning, will present a plan for the future local Boy Scout program at the annual (Univac) district headquarters meeting tonight at 6:30 at Central Christian Church. Over 150 persons are to attend.

Officers for 1965-66 will be announced and there will be training, national camper, "youth breakthrough" and national summer camp awards. Henry D. Karandeff will report for the nominating committee and John Pelark, district activities chairman, will be toastmaster.

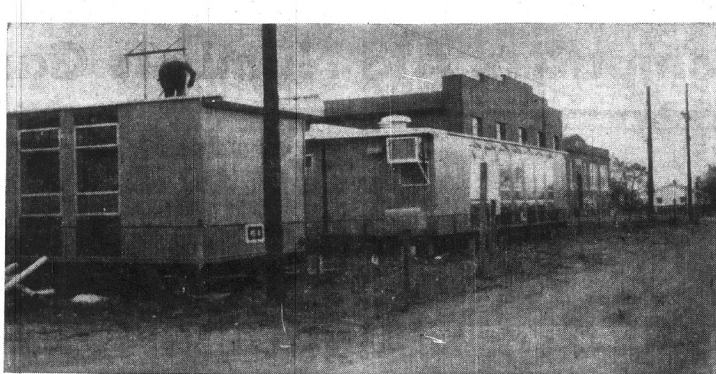

## Wife Says Shooting Was Accidental

Erno Orgovan, 23 of 2808 Kirkpatrick Homes, who shot himself in the arm early Monday, was still undergoing treatment today at St. Elizabeth Hospital.

His wife, Dorene, told the Press-Record the shooting was accidental as her husband had left their apartment following an argument. She said he was outside and was transferring a .38 caliber snub nose revolver from his trousers waistband to a coat pocket when it discharged accidentally with the slug hitting his right forearm.

## Elks Bowling Tourney

A mixed handicap bowling tournament will be held at 6:30 p.m. Saturday at Bowland lanes by Elks 1063, with "blind doubles" featured.

PORTABLE CLASSROOMS which arrived on wheels yesterday at Stallings school. The two rooms are to relieve overcrowded conditions. The two separate portable buildings are to provide classrooms for pupils now attending classes in the gymnasium, separated by a canvas curtain.

## County EOC Board Plans to Eliminate 2 Branch Offices

Drastic revisions in the project development application to be submitted to federal authorities by the Madison County Economic Opportunity Commission were given tentative approval Monday night by the commission's executive board. Included in the elimination of two proposed branch offices and numerous survey personnel.

Amounting to about \$41,822 less than the last request for federal anti-poverty funds, the new application grant will be seen as a whole for ratification at 7:30 p.m. Monday, in the board of supervisors office, Edwardsville, James M. Bailey of Alton, acting commission president, said.

Plans for a merger between the Madison county commission and a similar organization in Macoupin county appear to be curtailed Bailey said.

## Organizational Problem

Jerry Lacey, a field representative for the Office of Economic

Opportunity Carbondale, told the executive group Monday that a bi-county operation as proposed would require complete dissolution of the present commission's organizational structure, by-laws and charter.

Lacey also said that although several less populated counties have banded together to form anti-poverty bodies, this action was taken prior to actual formation of a working commission.

To continue with the merger proposal, Bailey said yesterday, could possibly set back the Madison county anti-poverty program six to nine months.

The chairman added, "I personally feel an obligation to Madison county residents to get our own program under way as quickly as possible, without additional delays."

A special liaison committee, headed by Roy Lynn of Granite City, had prepared the merger plan prior to the commission learning of its unfeasibility.

Explaining the reduction in the

rate portable buildings are to provide classrooms for pupils now attending classes in the gymnasium, separated by a canvas curtain.

greatest need and the types of programs required to assist them," he added, "should be completed within six months from when funds are received."

Consolidating the entire county planning force into a single office unit, Bailey continued, will eliminate a number of jobs as proposed under the original program. He pointed out that each of the three branch offices was slated to have an assistant director, a secretary, clerk, typist and 15 neighborhood workers.

He said the new plan calls for two assistant directors, a reduced office force and only 15 neighborhood employees. An overall county director with a two-man office staff will be retained as recommended in the former plan.

The county commission also will provide about ten-percent of the total grant application with "in kind" services, such as office space, professional services and supplies.

## Applications Hitting Record For 'Tree of Lights' Baskets

Over 100 Christmas basket applications from needy Quad-City families have been received by the local Salvation Army office since the annual "Tree of Lights" program got under way Monday, it was announced today by Lt. Ronald Gorton, local Salvation Army commander.

Applicants may apply in person through Dec. 3, at Salvation Army headquarters, 1421 Nineteenth street. So far 104 applications have been received to date.

The figure represents a substantial increase in the number of applications submitted for an initial three-day period, Lt. Gorton

said. One possible explanation, he added, could be the number of families involved in local strikes.

To avoid double issuance of Christmas baskets, the SA officer suggested that local churches and organizations, including United Fund agencies, which undertake Christmas basket program, call the Salvation Army office to coordinate the names of those persons registered.

Last year, more than 300 gift baskets were issued by the Salvation Army.

## Hospital Has Generators Should Power Here Fail

St. Elizabeth Hospital is adequately equipped to meet such a blackout emergency as occurred on the eastern seaboard Tuesday evening, according to Paul Hopper, director of the maintenance department at the local hospital.

Emergency power is provided by a diesel-powered generator, which has a 100 KW output and a 1000-gallon fuel tank, and also an auxiliary gasoline-powered, 50 KW generator.

The larger generator is designed to start automatically should a power failure occur.

Both generators can be operated manually, independently or in unison. The generators are test operated by Wayne Hollis, preventive maintenance man, about 30 minutes weekly.

The generators serve the emergency room; surgery; the obstetrical floor, where the nursery is totally illuminated, incubators and delivery rooms have total power and the delivery room is equipped with wall receptacles for portable lights; the blood bank; foot lights in patient rooms; halls; the hospital telephone system; the elevators and the power plant.

## August Mombert, 81, Former Resident, Dies

August Mombert, 81, of Manchester, Mo., the brother of a local resident and an early settler in Granite City, died about noon yesterday, at the Cedar Croft Nursing Home in Valley Park, Mo. He had been ailing for several weeks and in hospital five days. Death was attributed to a stroke.

A native St. Louisan, Mr. Mombert moved to Granite City in 1886 and remained here until 1918. He was a self-employed contractor and helped to construct many of the first buildings in the local area. He was a member of the Granite City Old Fellows Lodge and the local Carpenter's Union. He later, had lived in the Valley Park area for about 40 years.

Mr. Mombert is survived by his wife, Mrs. Ida Clara Mombert, two sons, August and Paul Mombert, both of Valley Park, Mo.; a daughter, Mrs. John (Eleanor) Cremer of Manchester; one sister, Mrs. Emma Tap-

## Legion to March in Vets Parade Tonight

Members of Tri-City American Legion Post 213 will participate in a Veterans Day parade at 8 p.m. today in Edwardsville.

Plans for the parade were discussed at a post meeting Tuesday night conducted by Edgar Horton, commander.

The post planned to hold a New Year's Eve party, the annual children's Christmas party will be held Dec. 19, by Daniel Smith, junior vice-commander, selected as chairman.

Herbert Strickland, adjutant, reported current membership at 296, with 400 as the goal, Horton urged that the goal be reached by Dec. 1. Lunch was served after the meeting.

pel, 2261 Lee avenue; and three grandchildren. Three great-nephews, Larry, Jimmy and Gene Hoeller of Granite City, also survive.

Funeral services will be held at 2 p.m. tomorrow in Valley Park, Mo.

## Red Schoendienst Tops Speaker List For Park District Awards Banquet

What more could a young athlete ask for?

Red Schoendienst, Dal Maxvill, Ken Gray and Jim Bakken all will be at the Granite City park district's awards dinner set for Wednesday night, Nov. 24, at 8:30 p.m. in the Granite City high school cafeteria, it was announced today by Harold Brown, superintendent of parks.

KEN GRAY

DAL MAXVILL

"The dinner will be a prelude to the presentation of more than 150 trophies and special awards given by the park district to boys and teams who have gained achievements in the flag football, basketball, tennis and baseball programs.

"Last year, when Jack Buck was our guest speaker, we had a record turnout of 500 people, and this year we expect more than 500," Brown said.

**The Old Redhead**  
Schoendienst made his debut as a manager with a world championship team, to handle after Johnny Keane's resignation in October 1964. The Old Redhead played for 11 years with the St. Louis Cardinals before being traded to the old New York Giants in 1956.

Dal Maxvill needs no introduction to Quad-City residents. A resident of Granite City, he spent part of the 1964 campaign in the minor leagues but was brought up to fill the shoes of Julian Javier during the final week of regular season play.

He drove in two runs with hits in the game that clinched the pennant for the Cards. He started all of the World Series games, collected several hits and fielded perfectly, including the Bobby Richardson popfly for the final out of the series.

**Big Number 64**  
Ken Gray, defensive captain for the St. Louis football Cardinals and a former Granite City resident, is another of the speakers on the agenda.

Big number 64 for the Cards, Gray has taken an active interest in the park district's activities for a couple of years.

Place-kicking specialist for the football Cardinals, Jim Bakken also is on the schedule of speakers for the dinner. A former Wisconsin Badger and Camp Randall man, Bakken was second in the National Football League in scoring last year with 115 points.

Trophies, baseball stars, football stars—what more could a young athlete ask for?

### GC Sophs Dealt 13-0 Loss; End Season With 3-5

The sophomore football team of Granite City high school closed its season with a 13-0 loss at Assumption Monday.

The Warriors scored an apparent touchdown on Raymond Kahn's 50-yard run, but it was called back due to a clipping penalty. The six-pointer would have tied the game at 13-13.

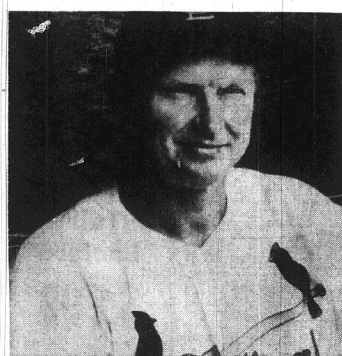

Assumption scored its two touchdowns on passes. Ken E. Range threw one for 30 yards, and the other was for 27 yards by Bob Jacquot.

The Granite sophs posted a mark of 3-5, its first losing season in three years.

### Deer Killed by Station Wagon

James F. Patterson, 4251 Lake drive, got a 10-point buck the week.

Patterson was driving along McAdams Memorial Parkway near Elash in his station wagon when a 200-pound buck leaped over a guard rail and in front of his car.

The station wagon was damaged, the deer was killed and Patterson was excited.

"All of a sudden the deer came from nowhere and ran right in front of the car," he said.

Although the car was seriously damaged, a boat being pulled by the wagon escaped damage.

## Bantam Division Deadlock Marks Start of YMCA Soccer Playoffs

Mitchell A.C., and Gasparovic's will meet at noon Saturday to decide the winner of the Bantam division in the YMCA boys' soccer program.

Although the Mitchell A.C. kickers have a 6-2-2 mark, and Gasparovic's has a 5-1-4 record, both are tied for first place with 14 points and must meet in the playoff.

A playoff game last Sunday ended in a sudden-death overtime 2-2 tie, with the game being called because of darkness.

Tonight will mark the start of post-season playoffs for the three divisions—Atom, Bantam and Midget.

The Atom playoffs pair Mitchell A.C. against Lincoln Place at St. Elizabeth's field at 1:30 this afternoon.

On Saturday, St. Elizabeth will meet Lueders Agency at 1 p.m. In the Bantam Division, Mitchell A.C. will meet Gasparovic's at 2 p.m., and St. Elizabeth's will play Credit Union at 3 p.m.

St. Elizabeth easily won the season title in the Atom division, posting a 9-1-2 record while scoring 20 points. Granite City Steel Credit Union took the Midget Division crown with a 5-4-1 mark and 19 points.

**MIDGET DIVISION** winners of the YMCA soccer program are the members of the Granite City Steel Credit Union team. In front with the ball is Robert Dunn. First row, left to right, Dave Cunningham, John Conway, Steve Birch, Gary Duncan, Tom Hotz, Dave Geisler and Jim Conway. Back row, left to right, John Bronnauer, Rick Weissenborn, Eddie Kosteki, Jim Childress, Eric Stuber, Gary Bowman, John Young, Billy Bronnauer, Billy Crabtree, Gerhard Moss and Jim Young.

## Braves Close Season With 32-19 Loss

Coolidge junior high school's football team Tuesday closed its season with a 6-1 record and one-third of the Madison County conference title.

The Braves lost to non-conference Clark junior high of East St. Louis here 32-19 and, by virtue of Collinsville North's 6-0 upset win over Collinsville Webster advanced to a three-way tie for first place in the conference.

Coolidge quickly fell behind as a Clark runner took the opening kickoff and returned it 75 yards for a touchdown. The extra point attempt was good, and the Braves trailed 7-0.

Coolidge drove down to the Clark four-yard-line before being stopped. Two plays later, the Clark fullback broke loose for an 85-yard romp and another score.

Once again Coolidge drove the length of the field, but this time Jim Rollins scored on a four-yard run. Richard Dean ran the extra point and the first quarter ended with Clark ahead 13-7.

With less than a minute remaining in the first half, Coolidge fumble set up another Clark touchdown, and the half ended with the score 19-7.

Clark scored quickly in the third quarter, Dean running off tackle from the four-yard-line. The run for the extra point failed and the score was 19-13.

Clark scored twice more and, with the scoreboard reading 32-13, Bill Rutledge plunged two yards for the final Coolidge tally. Coolidge had a 5-1 conference mark.

## Starch Strike

applications, but all but one were referred to the public assistance office at Edwardsville because they were ADC cases.

Officials at the Granite City relief office said they had received about 15 applications, but most of these also were ADC cases.

The Illinois State Department

of Labor several weeks ago ruled that the 420 strikers are eligible for unemployment compensation. This will result in a considerably large weekly payment to union members unless the ruling is upset by a company appeal.

Thomas Austin, president of the union, said striking employees would draw an average of \$50 to \$60 per week under compensation regulations. The company has announced it will appeal the Department of Labor ruling to the Third Circuit court,

Granite City PRESS-RECORD Page 8 Thurs., Nov. 11, 1965

and this move undoubtedly will entail some time before payments are begun, in the event the labor department ruling is upheld.

Austin said that if the payments eventually are authorized, all of the striking employees would apply for such benefits. In that event, the weekly payment in compensation funds would be another \$21,000 per week, or Friday and Saturday and were

\$84,000 per month. Austin declined to say how much financial aid the strikers have received from other unions or other sources.

Today's negotiation session is named by both sides. These committees took up the craft realignment issue in sessions last week, or Friday and Saturday and were

expected to report their findings to the full negotiation committee today.

The job classifications demanded by the company have represented the major stumbling block in a settlement of the strike. The study committees were to discuss these items individually and settle all new classifications upon which they could agree. Any that remained in dispute were to be referred back to the full negotiating committee.

der the proposed plan, all-day service will be provided on this extended portion of the route," the spokesman said.

"In addition, certain trips will continue to originate and terminate at 30th and State streets (end of the 2000 block of State) and the entire McKinley Bridge line will be straightened out in

the mid-city section of Granite City. All McKinley Bridge buses will use Delmar in both directions, between 27th street and 19th street, instead of the present circuitous routing via Adams and Benton streets northbound and State street eastbound.

"There will be no change in route for the present morning trips which are diverted from the main line via Market and Klein streets in Vanhook.

"The detailed route of the revised McKinley Bridge line will be as follows: From 10th & Washington, St. Louis via present route to Madison avenue & 18th street, thence northeast on Madison, northwest on 18th, northeast on Delmar, southeast on 27th, northeast on Madison, north on Nameoki, east on Pontoon, northwest on Venice avenue, northeast on Prairie, southeast on Ferguson, south on Wabash, east on Lynch, south on Vine and east on Pontoon road to Maryville road.

"Return, will be north on Maryville road, west on Lynch, reverse of the above route to 18th and Madison avenue and thence via present route to St. Louis.

"Short loop buses will operate via the above route from St. Louis to Delmar avenue and 27th street, thence northwest on 27th, northeast on Benton into Fishing road, bear right at the end of park, enter State street and continue southwest on State to 20th block. Return, southwest on State to 27th, thence via the above back to St. Louis."

NEW CUBS INDUCTED Cub Pack 98 held a monthly meeting Monday night at Stallings school with Cubmaster Raymond Newberry in charge. The meeting opened with a flag ceremony

led by Leslie Lewis. Two new members who were inducted and received bobcats were Timmy Thompson and Frankie Newberry. Jeffrey Wainright received a bear badge and Kenny Siebert received a wolf badge. Red gold arrow.

A movie, "Boys from Hickory Street," was shown and the parents held an orientation class. A new Brownie troop met Monday evening with Mrs. Ruth Deaton and Mrs. Bea Harvey. The meeting opened with the Brownie promise, pledge to the flag and the Brownie smile song.

The group played singing games and chose as officers: president, Bonnie Brown; treasurer, Debra Harvey; and scribe, Joyce Pitts.

The leaders taught the girls the use of a Brownie circle. Two new members accepted into the troop were Bonnie Brown and Cindy Garbar. Other girls present were Karen Perigo, Tammy Moser, Kathy Morris, Annette Jones, Joyce Pitts, Laura Lewis, Rhonda Carver and Debra Harvey.

Den Two of Cub Pack 98 met Tuesday evening with Mrs. Margaret Cuvier. The boys said the pledge to the flag and answered roll call. They practiced putting nails into boards, discussed the theme of the month, "Achievements," played games and closed with the living circle and cub scout promise. Refreshments were served to Paul Cuvier, Robert Slecka, Charles Mills, Mike Ren, Robin Baker, Bob Miller and Gary Glenn.

Den One of Cub Pack 98 met Tuesday evening with Mrs. Eunice Wilkerson. The boys elected a dinner, Tommy Wilkerson, and assistant dinner, Bruce Wilson. The boys said the pledge to the flag and practiced their yell. Den Chief George Wilkerson assisted the boys in their achievement projects and helped them set a nail. Refreshments were served to Steven Eaker, Gregory Adams, Robert Porter and those mentioned.

Boy Scout Troop 23 met Tuesday evening at the Long Lake fire hall with Ed Nida, Floyd Ashoff, Herb Polley, Mike Abernathy and Jack Harper. The group discussed leathercraft, a campout for this weekend and advancement.

Jack Harper gave a lesson on "freemanship." Boys present were George Wilkerson, Charles Polley, Glenn Ashoff, Buzz Pickler, Bobby Picker, Danny James, Jimmy Meador, Steve Meador, Larry McCabe, Peter Fourcatt, Danny Fourcatt, Chester Dean, Vaughn Wainwright, Rudy Recker, John Harper, Willard Hicks, Lloyd Byrd, Danny Kreher and Mark Recker.

### Miss Wright To Be Married

Another of the fall engagement announcements this week is that of Miss Myrna Kay Wright, a daughter of Mr. and Mrs. Richard B. Wright, 3213 Rodger avenue, and Apprentice Seaman James Burbon Stark, a son of Mr. and Mrs. Russell Mills, 2203 Edna street. The wedding will take place in the early summer. Both young people attended Granite City high school.

The prospective bridegroom will be stationed at Chase Field in Texas while undergoing schooling. He has just completed boat training at Great Lakes and was home on a 14-day leave.

### Madison Club Holiday Plans

The Madison Junior Service club met Tuesday evening at the Madison recreation center with the president, Mrs. Marilyn Schaffner, presiding. Donations were made to the Garesche-Grenier Activity Organization's Christmas fund and the Madison County Tuberculosis Association's Christmas Seal drive.

Plans were completed for the club's annual Christmas party to be held at Rusty's in Edwardsville Dec. 14. The members and invited guests are to be seated at 7 p.m. for dinner.

Hostesses for the evening were Mrs. Delores Gasho, Mrs. Loretta Hyla, Mrs. Doris Patterson and Mrs. Geraldine Friend. Prize winners were Mrs. Reta Barnhart, Mrs. Ruth Fanning, Mrs. Eileen Hueskamp and Miss Marian Chizek.

Others present were Mrs. Jean Voegeli, Mrs. Judy Donaldson, Mrs. Alberta Mikolazuk, Mrs. Clenna Vaughn, Mrs. Julia Voloski, Mrs. Jackie Frizzell, Mrs. Adrienne Warchol, Mrs. Virginia Gadwell, Mrs. Marie Miller, Mrs. Julie Pearce, Mrs. Mary Stanfill and Miss Jeanette Tritant. Mrs. Marcela Obravnic received the monthly prize.

### District Meeting For Homemakers

Members of Madison County Homemakers Extension Association of the southwest district, which consists of the Isabel Bevier, Granite City and Trio Units will attend a district meeting Monday at Kirkpatrick Homes Recreation Hall. The session will begin at 12:30 p.m. with coffee and cookies.

The northwest and central districts will meet on Nov. 16 and Nov. 17 in East Alton and Edwardsville. All three districts will have presentations by Mrs. Catherine Mauck, home adviser, "Illinois Contribution to the Nation's Food Basket."

The lesson will feature an informative discussion of what Illinois produces and how it ranks nationally in the production of grains, livestock, fruits and vegetables.

Two local women, Mrs. Harold Rapp and Mrs. M. J. Hill, will conduct a sewing machine clinic for women at the Berea Lutheran Church in Alton on Nov. 16. They will discuss cleaning and care of the machine as well as causes of machine failures.

### Holiday Plans by St. Mark's PFA

Mrs. Marlene Miller, president, was in charge of the Parents and Friends Association meeting held Tuesday evening at St. Mark's Church basement in Venice. Reports were given on the group's spaghetti dinner and turkey social held recently.

Final plans were made for the PFA Christmas party and gift exchange to be held at 6:30 p.m. Dec. 14 at Tony's restaurant.

Room mothers will be in charge of the Christmas party for St. Mark's pupils Dec. 22. A discussion was held on indoor recreation equipment to be purchased in the near future.

A dessert luncheon was served to 35 members by Mrs. Eleanor Britt, Mrs. Norma Levy, Mrs. Bertha Pace and Mrs. Joseph Schmidt, hostesses for the evening.

"MRS. BEAUTY SALON QUEEN," Mrs. Beverlee Byrd, who was crowned at the Holiday Headlines fashion show given by the Elite Hairdressers at the Elk's Club.

### Mrs. Beverlee Byrd Wins Title at Hair Fashion Show

Mrs. Beverlee Byrd was crowned "Mrs. Beauty Salon Queen" in connection with the "Holiday Headlines" hair fashion show held at the Elk's Club this week. She was a contestant for Earl Parsons.

The runners up were Mrs. Marilyn Price, first, a contestant for Earl Tucker; and Mrs. Patti Twillman, second, contestant for Mrs. Carol Kinder.

Other contestants were Mrs. Jackie Reinagel for Mrs. Mary Batson; Mrs. Gail Jacobs for Mrs. Judy Browshaw; Mrs. Betty Johnston for Mrs. Martha Al-Bank; Mrs. Alvarita Giles, Mrs. Virginia Friedler, Mrs. Gerry Green and Paul Warren. All contestants were judged on points for styling, beauty, poise and talent.

The outgoing queen, Mrs. Phyllis Crews, who crowned her successor, was presented with a gift and the queen received gifts from local merchants.

Mrs. Byrd will represent the elite hairdressers in state competition in Peoria.

The show was attended by more than 300 persons. Dignitaries were introduced by Mrs. Batson. Earl Parsons served as master of ceremonies and Marcela Tucker and Pat Dickey were chairman and co-chairman of the show.

High fashion styling was shown by the hair fashion committee, and the artists were Mrs. Kay Jeli, Mrs. Judy Browshaw, Mrs. Dorothy Line, Mrs. Julia Dant, Miss Brenda Margulen, Mrs. Carol Kinder, Mrs. Mary Batson, Miss Prewitt, Mrs. Pat Dickey, Mrs. Jean Harris, Mrs. Linda Norris, Mrs. Sara Duko, Stanley Coleman, Earl Parsons and Earl Tucker.

Decorations of red and white were used about the room and a number of prizes were awarded. Refreshments were served after the show.

Games were enjoyed during the evening and prizes were won by Mrs. Margaret Johnston, Mrs. Hart and Mrs. Hazel Pearson.

Others attending were Mrs. Margaret Vrecek, Mrs. Rinda Brown, Mrs. Mary Korschog and Mrs. Elizabeth Novacich.

### Final Plans Made For Bazaar

Among 61 persons attending a monthly meeting of the Women's Society of Christian Service of Niedringhaus Memorial Methodist Church in Wesley Hall Tuesday evening were guests from the societies of the Venice, Madison, Nameoki and Dewey avenue Methodist Churches.

Mrs. James Williams led devotions and Mrs. Raymond Henley reported on final plans for the annual bazaar to be held at the church Nov. 19.

Two district officers from Collinsville, Mrs. Leona Best and Mrs. Evelyn Menz, guests for the evening, presented a program on "Membership Cultivation."

Refreshments were served from a tea table holding a large cake bearing the WSCS emblem and autumn flowers. Hostesses for the evening were members of the executive committee.

### FAMILY REUNION AT ROBERT MILLER HOME

A buffet dinner was served this week at a family party held in the home of Mr. and Mrs. Robert Miller on Rural Route One. The gathering was in the nature of a reunion, the first held by the family in more than ten years.

Those attending were Mr. and Mrs. Robert Haines and son of Cincinnati, O., Mr. and Mrs. David Miller, Topeka, Kans., Mr. and Mrs. Harry Jones and daughter and Miss Jeannette Silkes, Crawfordsville, Ind., Mr. and Mrs. Carl Miller and family, Edwardsville, Mr. and Mrs. Melvin Miller and Mr. and Mrs. Clayton Miller and children, Collinsville, Mr. and Mrs. Warren C. Miller, Pomona, Ill., and Mr. and Mrs. Jerry Miller and son, Mr. and Mrs. Billy J. Miller and children, Mrs. Frank Eberston, Miss Maurine Eberston and Mrs. Pearl Young, all of Granite City. Mr. and Mrs. Haines, who visited relatives here the past week, returned to their home Tuesday.

### GC Young GOP Studies Future

"The Future of Young Republicans in Granite City" was the topic of a general discussion led by Carol Hoelscher, Tuesday evening at a meeting held at the Grand Cafe Annex.

Special guests were four teen-age Republicans who displayed Christmas napkins being sold by the group as a club project. They were Kendall, Keith and Kirk Danner and Dan Menken.

Announcement was made of selection of Earl Meek as treasurer to fill the unexpired term of Miss Jackie Noel, who resigned. There will be no regular meeting of the Young Republicans in December, but a Christmas party is planned for Dec. 12. A covered dish supper will be served, followed by carding. Anyone interested in participating may contact Peggy Dickey at TR 7-8802.

Announcements were made of continuation of a membership drive to Dec. 12, and plans are being made to contact all precinct committeemen and other

prospective members. Anyone between the ages of 18 and 40 is eligible to become an active member and anyone over the age of 40 may be an associate member. Those interested may contact Gene Dickey at TR 7-8802 or Harvey Cathey at TR 7-1055.

## Port Board Discusses Bonds, Construction

Further plans for a new bond issue and prospects of obtaining additional clients at the Tri-City Regional Port on the Chain of Rocks Canal were discussed by the port district board Monday night. Commander John Barron, manager of the port district, said that the amount of the bond issue has not yet been determined and that prospective new tenants cannot be identified at this time, pending completion of lease contracts. The new bond issue will be sold to finance construction of four new tanks for National Marine Service, which already operates two large liquid storage tanks at the port. National Marine recently leased an additional acres of land at 6:45 a.m. Wednesday.

Autos driven by John W. Kowalk, 36 Kaseberg park, Ponton Beach, and Ralph D. Fricker, 3218 Aubrey avenue, collided at 22nd street and Madison avenue on additional acres of land at 6:45 a.m. Wednesday.

### Harsh Named to Post At Elmhurst College

Jim Harsh, son of Mr. and Mrs. John Harsh, 2361 Lynch avenue, has been elected president of the Squares, a service fraternity at Elmhurst College where he is a senior majoring in biology.

He is a resident advisor in Irion hall, where last year he was on the dormitory council, and was on the Freshman Week committee for 1965.

Harsh has been active in athletics, having lettered three years in wrestling while being captain and most valuable member of the team for two years. He is a graduate of Granite City high school where he was a member of the wrestling team and a past president of the Roca Club. Last summer he toured Europe with a college counselor.

### Junior High Student Suffers Broken Pelvis

After she fell during a physical education class Monday at Coolidge junior high school, Diane Gilevel, 14, daughter of Mr. and Mrs. Lawton Grooms, 2577 Iowa street, was admitted to St. Elizabeth Hospital with a fractured pelvis and severely bruised left hip and leg.

The mishap occurred when the ninth grade student tripped and fell while running on a hard-surface area at the rear of the school entrance. She is expected to remain in the hospital for several days.

### Arrested After Mishap

Autos driven by Francis Jones, 218 East 20th street, and Fay Ambrose Peck, St. Louis, collided at 9:20 a.m. Wednesday at 23rd and Iowa streets, causing extensive damage to the right side of the Peck car. A no parking sign was bent. Jones was charged with failure to yield the right-of-way.

### Woman Found Innocent

Elizabeth M. Williamson, 4111 Kaseberg lane, was found innocent of a charge of driving while intoxicated Tuesday by Magistrate Hiscott. The charge was filed Sept. 9 by Granite City police.

for the most part in museums or private collections, or in home attics, where Grandmother's or Great-Grandmother's fancy quilt has been lovingly put away to serve future generations as a reminder of other days and other customs.

Among those exhibiting their quilts in the Friends' special exhibit are: Mrs. Alton — Mrs. Thomas Butler, Mrs. Eugene Elwell, Mrs. Matilda Timmermiere, Mrs. Edward Misogades, and Mrs. Henry McAdams; from Bertha — Mrs. Walter Wiemers; from Highland — Mrs. Edwin Lowenstein, Mrs. Donald McKee, and Mrs. Katie Beck; from Jerseyville — Mrs. Carl Prewett; and from Edwardsville — Mrs. William E. Delicate, Mrs. D. H. Mudge, Mrs. Raymond J. Spahn, and Miss Nelle D. Mulberry.

Also in the exhibit are some quilts from the Museum's own collection, donated by Mr. and Mrs. H. B. Stubbs and Mr. and Mrs. D. B. Warwick of Edwardsville and E. W. Heidemann.

GRAND OPENING PREPARATIONS under way at the new J & R Motor Supply, 1219 Niedringhaus avenue, shows Alden Woods, store manager, completing a display. The firm has been operating at 1850 State street since its old store building at the same Niedringhaus location burned down a year ago. The new store opened for business yesterday.

## Fancy Quilt Display at Museum This Month

The female art of fancy quilt patterns being shown include velvet and silk—usually bought already cut from peddlers in the early days, or in later years from stores.

Women had begun as girls to learn to "piece" the small blocks together to form what often were intricate designs. The tinner the stitches, the prouder the seamstress.

Once the block were pieced together into a bed-sized coverlet, it was then necessary to "quilt" it to an under-layer of material with a thin padding between the two for extra body and warmth. This was accomplished on a quilting frame to hold the layers taut.

Literally thousands of tiny stitches were laboriously made in the quilting, these often forming an intricate design themselves, and then the edges of the quilt were bound. A housewife in the old days had every reason to be proud of her quilts.

Sometimes the quilting was an occasion for a social event known as a "quilting bee," where a pieced quilt would be completed at an all day session of friends and neighbors of the hostess. The chatter flew as fast as the fingers and furnished in older days, an infrequent opportunity for socializing and discussing events of the past months.

A Waning Art  
Quilt-making today is not a lost art by any means, but certainly is not practiced as widely as it was even a generation ago. In the summertime, at state and county fairs, lovely examples are still entered in quilt competitions by primarily rural women still rightfully proud of their skill.

But primarily the prettiest examples of fancy quilts are foundville and E. W. Heidemann.

### Madison County Leads In SIU-SW Enrollment

Students from 69 of Illinois' 102 counties are enrolled at Southern Illinois University-Southwestern campus this fall, according to Registrar John H. Schnabel.

Of the combined total of 7148 attending classes on the new campus and at SIU-SW's teaching centers in Alton and East St. Louis, 6207 are from Illinois, 530 come from 24 other states and there are 11 students from 10 foreign countries.

Missouri leads the list of out-of-state students with 889, most of whom commute from the St. Louis area.

Madison and St. Clair counties account for the overwhelming majority of Illinois students with enrollments of 3334 and 1948 respectively. There are 231 students from nearby Macoupin county, 98 from Jersey, 58 from Bond, 45 from Clinton and 42 from Greene. Cook county is represented by 48 students 25 of them coming from Chicago.

Students from other states come from as far away as California, which has six enrolled, and Florida, which has three. From foreign countries, there are two students from Greece and one each from Canada, British Guiana, China, Hungary, Jordan, Lebanon, Pakistan, Peru and Africa.

Including 17,356 students on SIU's Carbondale campus, total university enrollment this fall is 24,504, an increase of 19.3% over last year.

Since there is no on-campus housing for the university here, most of the students at the three locations commute from their homes. Nevertheless, more than 500 who do not live within driving distance are renting rooms or apartments near their classes this fall.

### Berthold Mueller, 86, Dies at Nursing Home

Berthold Mueller, 86, of 2539 Jerden avenue, a 40-year resident of Granite City, died at 6 p.m. Tuesday, at the Madison County Nursing Home, Edwardsville, following a month-long illness. He had entered the nursing home just five hours before his death.

Employed as a tool checker at General Steel Industries, Inc., prior to his retirement in 1950, Mr. Mueller had lived for several years in East St. Louis and the Chicago area before moving to Granite City. He was born in Monroe county, Ill., and was a member of the Zion United Church of Christ, St. Joe, Ill. His wife, Mrs. Sophie Mueller, preceded him in death in 1948.

Survivors include a daughter, Mrs. Andrew Jess (Jesse) Parks of Granite City; a son, Armin George Mueller, Collinsville; two sisters, Mrs. Rosa Wortmann, Fults, Ill., and Mrs. Margaret Meister, Waterloo, Ill.; a brother, Herman Mueller of Waterloo; a granddaughter, Mrs. Richard (Dixie) Griffin, and one great-grandchild, Debbie Griffin, both of Granite City.

Funeral arrangements are given in today's obituary column.

### \$150 in Fines Assessed

Virgil J. Kallat, 1911 Benton street, was fined \$100 plus \$10 costs on a charge of driving while intoxicated and \$30 plus \$10 costs on a charge of leaving the scene of an accident by Magistrate Hiscott Tuesday. The charges were filed Aug. 2 by Madison county authorities.

## House Moved for Store Expansion on Pontoon

A one-story brick house was moved from 2213 Pontoon road Tuesday morning to make way for expansion of the Maryland Bi-Rite supermarket, 2205 Pontoon road.

The house, formerly owned by Charles C. Lynch, was carried two lots over before a crowd of interested school children.

Frank Champion, proprietor of the store, had purchased the house. He said space will be about doubled to 90,000 feet, providing more room for every department. "We are too crowded now," he explained.

No date has been set for the start of construction. The store now sets 25 feet away from the sidewalk, and "we still must learn how close we can go toward the sidewalk. We need the space."

He added, however, that room must be provided for future widening of Pontoon road. The store parking lot recently was blacktopped, and parking lot stripes are to be painted. "We will begin making road plans for the addition next week," Champion said. The Rite Construction Co. will be the contractor.

## SOCIETY

### Contributions by Eagles Auxiliary

The Eagles Auxiliary met Tuesday evening with Mrs. Ann Knopka presiding. Donations were made to the Madison County Tuberculosis Association and to Father Flanagan's Boys' Town, and two new members initiated at a recent meeting in Jerseyville were introduced. They were Mrs. Isabel Bozif and Mrs. Irene McArdle.

The members were reminded by their president of the coming kickoff dinner for the Salvation Army which the Auxiliary will prepare and serve.

Plans were made for the Kitchen Band to entertain a group of retarded children on the afternoon of Dec. 11 at St. John United Church of Christ.

The "white elephant," donated by Mrs. Fay Briggs, was won by Mrs. Mae Amisch. A prize went to Mrs. Mildred Ackers. Hostesses, Mrs. Helen Frazier, Mrs. Margaret Hall, Mrs. Angela Vavra and Mrs. Eva Barry, served refreshments to 28 members.

### Shower Honors Prospective Bride

Miss Shirley Ricken of Bethalto, who will be married Nov. 26 to Fred Bright Jr., was guest of honor Tuesday evening at a pre-wedding party and shower given by Mrs. Bernice Williams and her daughter, Miss Linda Williams, at their home, 2716 East 24th street.

Those attending were Mrs. Nadean Ricken of Bethalto, mother of the bride-to-be, Mrs. Audrey Ahlquist of Tulsa, Okla., Mrs. Frances Francis of Memphis, Tenn., and Mesdames Peggy Bright, mother of the prospective bridegroom, Florence Spahr, Florence Schull, Karen Hutchings, Sharon Crum, Jo Ann Spahr, Betty Eggenmeyer, Sue Orsburn, Marge Blind and the hostess.

The wedding of Miss Ricken and Mr. Bright will take place in Moro, Ill.

### TEEN-AGE GOP CLUB TO ELECT OFFICERS

The Teen-Age Republican club met Monday evening in the home of Mrs. Vernice Wortman on Washington avenue, with Kendall Danner, president, in charge. Kirk Danner led the pledge to the flag.

Reports were given and a guest, Mrs. Marlene Serini, was introduced. Daniel Norken reported on the sale of Christmas napkins, a fund-raising project of the club. Ricky McAllister led the group in sales this month.

Stephen Holik was enrolled as a member. An election of officers will be held in connection with the Dec. 13 meeting at the Wortman home.

The meeting adjourned at 7:30 in order that the members might attend an Americanism meeting in Alton.

**JUNE BRIDE-TO-BE.** Miss Carol Jean O'Neill, a daughter of Mrs. William J. O'Neill and the late Mr. O'Neill of East St. Louis, whose engagement to Leonard Michael Gnojewski of Madison, is announced.

### Gnojewski-O'Neill Engagement

A June wedding is planned by Miss Carol Jean O'Neill, a daughter of Mrs. William J. O'Neill, and the late Mr. O'Neill, 4 Goddard drive, East St. Louis, and Leonard Michael Gnojewski, 1010 Fifth street, Madison.

The engagement of the couple has just been announced by the bride-elect's mother.

Miss O'Neill was graduated from St. Teresa Academy in East St. Louis and is a member of the school's Alumna Association. She is employed as a stenographer by the Union Electric Co., East St. Louis.

Her fiancé was graduated from the Madison high school and received a bachelor's degree in Chemical Engineering from Washington University. He is presently studying for a master's degree. His fraternity is Beta Theta Phi social. He is employed in St. Louis.

**BAND PARENTS MEET, DISCUSS MARCH TRIP**  
Granite City high school Band Parents met Tuesday evening in the band room of the school. Bernard Shepard, president, was in charge and a report was given on proceeds from concession stands at the 1965 football games. Thomas Teague also discussed the trip the band will make March 18 to Kansas City, Mo., and plans were made for ticket sales for the annual concert series. The first concert is to be held Dec. 9.

Refreshments were served by Mrs. Teague and Mrs. Betty Schmedske.

### Ninth Birthday of Stephen Presley

Stephen Presley, nine-year-old son of Mr. and Mrs. E. G. Presley, celebrated his birthday Monday afternoon at a party given by his parents at their home, 2725 Buxton avenue.

Multi-colored streamers and balloons decorated the rooms and the children took part in games and songs.

Refreshments were served by Mrs. Presley to Kenneth Clark, Ricky, Jimmy and Eddie Borz, Kenneth McGowan, Jeffrey Cruise, Ricky Kowalski, Ricky Burris, Kevin Jones, Dean Wilder, the honoree, his sisters, Cynthia and Alice Presley, and Guy Shubert.

### RUTH CLASS MEETS IN McLEAN HOME

The Ruth Class of Third Baptist church met Tuesday night in the home of Mrs. Julia McLean, 2848 Madison avenue. Mrs. Via Wallace, secretary, presided. A dessert course was served.

The meeting opened with prayer by Mrs. Julia Carmack, followed by monthly reports by all group captains.

Plans were discussed for a Christmas party to be held at the Rose Bowl Dec. 21, beginning at 7 p.m. A gift exchange will be held. Gifts also were purchased for a sunshine box.

Mrs. Carmack gave the devotion and the meeting was closed with prayer led by Mrs. Julia Brown. Other members present included Mesdames Thelma Peterson and Nelma Black, who won the game prizes, and Pearl Vinson, Mildred Nash, Lorraine Modglin, Ethel Lorentz, Elizabeth Romine and Lucy Burch.

### SHRINE WILL HONOR PAST OFFICERS

Gabriel Shrine 78, White Shrine of Jerusalem, will hold a past officers night this evening at 7:30 at the Masonic Temple.

Mrs. Cora Heilich is worthy high priestess of the Shrine and Delbert McKissick is watchman of shepherds.

**AUTUMN BRIDE.** Mrs. William Dimitroff Jr., the former Rita Marie Rensing, a daughter of Mrs. Esther G. Rensing, 2464 Kilarney drive, and Norman Rensing of Granite City, who was married Sunday at Holy Trinity Bulgarian Eastern Orthodox Church in Madison.

## GROUP CHANGES NAME

TO LYDIA CLASS

A monthly meeting of the Lydia class of the First Baptist Church was held Monday evening in the home of Mrs. Treva Williams, 1817 Fifth street.

The members changed the name of the class to the Lydia class and will meet on the regularly scheduled dates.

Mrs. Vasia Williams installed the following class officers, who took charge at the conclusion of the installation for the next year: Mrs. Doris Hargrave, president; Mrs. Bonnie Bridges, vice-president; Mrs. Colleen Evanoff, secretary-treasurer; Mrs. Daisy Burnett, Mrs. Bridges, Mrs. Ann Redman and Mrs. Mary Lassen, group captains; Mrs. Betty Barnett, historian; and Mrs. Naomi James, teacher.

The class colors will be silver and deep blue, the class aim "To

Put Christ First," the verse First Timothy 4:12 and the class song, "Our Best." Mrs. Sue Jones opened the meeting with prayer. As Mrs. Williams installed the new officers, each was presented with a corsage. For the devotional, each took part in the Ten Commandments.

Other members taking part were Mrs. Ruth Manion, Mrs. Dorothy Shook and Mrs. Daisy Burnett. The annual class Christmas party is to be held at the educational building of the church, Dec. 13, with dinner being served and each member bringing an exchange gift.

Brownie Troop 73 met Monday with Mrs. Thelma Skelly at the Madison recreation center. The meeting was opened with the pledge of allegiance, singing of one verse of "America," quoting of the Brownie Promise and singing of the Brownie Smile song. Projects were discussed, after which Troop 73 made plans to assist in keeping papers off the

Harris school grounds. The troop will meet on Nov. 22, with the mothers being invited to attend.

The meeting was closed with "Tape" and the tunnel song by Marsha Anderson, Barbara Bevil, Carolyn Essington, Belinda Gulleaga, Joan Hollenbeck, Charles Koroly, Debbie Oliver, Janet Redman, Deborah Shelton, Judy Wilmoth, Patricia York, Margaret York and Elizabeth Madden.

## BIRTHDAYS OBSERVED

The Boy Scouts opened a weekly meeting of Junior Girl Scout Troop Three Monday afternoon. Mrs. Bernadine Weidner, leader, assisted with a simple investiture as Venus Wood and Myrna Verrett joined the troop. Various projects were presented by the troop as well as the Festival of Sharing and World Association plans. The birthdays of Christy and Kathy Wilson were observed.

Christine Meyers and Delilah Sanders were guests. Those responding to roll call were Selma Alice, Gail Chastain, Ruth Ann Fanning, Sally Grimes, Rebecca Hall, Roberta Hall, Debbie Kelly, Barbara Kissel, Janice Koller, Kathy Leisner, Pat Malone, Etta Nappier, Linda Nixon, Laura Niehaus, Jean Paskus, Sharon Serin, Peggy Stahner, Janice Warchol, JoAnn Weidner and Kathy Wilson. The troop chose as its crest the Cardinal. The White Arrow patrol closed the meeting.

## 20-YEAR CLASS REUNION

A reunion is being planned for the Madison high school class of 1946. The reunion is to be held at Augustine's in Bellevue on June 25.

Mrs. Dorothy Shabo has held a meeting of a committee working toward the event in her home, 1821 Third street, and committees are being formed. Addresses of the classmates are being compiled.

Anyone having information on Willard Greer and Norman Spencer is being asked to contact Mrs. Johanna Collette, TR 6-1801. All former teachers are being invited as guests.

A meeting will be held tonight in the home of Miss Pauline Racich, 1614 Seventh street.

Girl Scouts of St. Mary's Troop 46 met Monday in the school cafeteria with the leaders, Mrs. Winnie Sasse and Mrs. Janet Werner. The group discussed a cook-out and hayride held recently at the Arlington Subdivision.

Another cookout is being planned for the near future. The

girls cook on burners which they have made.

A flag ceremony was conducted, after which the group discussed the Festival of Sharing. Those present were Vicki McMurry, Karen Sasyk, Kimberly Plantz, Penny Schienschang, Jean Long, Helen Zielinski, Debbie Kierulff, Kathy Werner, Mary Barko, Joanne Hamilton, Linda McLennan, Debbie Votaw, Mary Stokes, Karen Koliste, Roseann Hudzik, Rose Mary Garcia and Roberta Papi.

## JOLLY MATRONS MEET

Mrs. Helen Thiele, a member of the Jolly Matrons, was welcomed back, after being absent due to illness, Tuesday evening in the home of Mrs. Barbara Fulmer and Mrs. Madlyn Burton were invited as guests for the day. A one o'clock luncheon was served by the hostesses prior to the playing of games.

Those excelling were Mrs. Burton, first, Mrs. Lottie Ostresh, second, and Mrs. Betty Frenzel, third. Others participating were Mrs. Geneva Gibson, Mrs. Anna Marie Murphy, Mrs. Johanna Milevich, Mrs. Margaret Priesnell, Mrs. Margaret Gram and Mrs. Mildred Werner.

Mrs. Werner will be the hostess Nov. 30, at which time the birthday of Mrs. Gibson will be observed.

## MIZPAH MEETING

Miss Irene Hackett, Mrs. Mattie Boenewitz and Mrs. Rae Miller, officers of the Mizpah Bible Sunday school class of the Madison First United Presbyterian Church, presided Monday over a monthly meeting held in the service rooms of the church.

An open discussion was held on the Book of Romans and the Gospel of John, with R. J. Hill in charge. Plans were discussed for a Christmas bazaar, with further information and plans to be completed later.

Those taking part with the officers were Mrs. Gladys Gifford, Mrs. Bernice Gushelf, Mrs. Eleanor Mae Bonatti, Mrs. Bertha Wilson and the class teacher, Charles Hackett. The group will meet again in Dec. 13.

## MRS. WALKER HOSTESS

Mrs. Joyce Walker held a monthly meeting of the Peppy Class of the First United Presbyterian Church of Madison in her home, 1635 Third street, Tuesday evening.

Guests for the evening were Mrs. Clara Crowder, Mrs. Charly Ackerman and Mrs. Janet Colquhoun. The meeting was

JAMES D. CONAWAY  
Fine Arts Winner

## Conaway Wins \$300 In Fine Arts Show

James D. Conaway, a graduate student in art at the University of Iowa, Iowa City, Ia., has won the \$300 first prize in the Fourth annual Fine Arts Exhibition, sponsored by the Container Corporation of America. It is announced by the university. He is the son of Mr. and Mrs. L. W. Conaway, 220 Sheridan avenue.

The exhibition, featuring 152 works, currently is being held at Augustana College, Rock Island, Ill., where it will continue through Nov. 28.

The winning work by Conaway is a figurative oil painting, titled "Payday Vultures." The artist has been invited by the Container Corp. to submit samples of his work for consideration in the firm's national advertising program, "Great Ideas of Western Man."

A graduate of Granite City high school, Conaway received his bachelor of arts degree from Southern Illinois University at Carbondale, and his master's degree at the University of Iowa. Presently, he is studying toward a master of fine arts degree, the equivalent of a doctorate. Married to an Iowa girl and the father of one child, Conaway served for four years in the U. S. Navy, prior to starting his college education. He has held several one-man art shows and has won numerous other awards. Until resuming his education this year, he taught for three years in Central high school, in Davenport, Ia.

opened by prayer, followed by a devotional by Mrs. Gladys Zentgraf. Those taking part were Mrs. Clara Lux, Mrs. Nora McCoid, Mrs. Betty Meyer and Misses Opal McFarland, Irene Hackett and Luella McCoid.

Refreshments were served by the hostess. Mrs. Clara Lux will hold the Christmas meeting in her home, 1637 Third street.

## GLEANNERS MEET

The Gleanners Sunday school class of Temple Baptist Church met in the home of Mrs. Dorothy Taylor, 2012 Beckwith avenue, Tuesday evening.

The president, Mrs. Mary Arnold, presided and the devotional, in keeping with Thanksgiving, was entitled "Thanks." Each spoke and told of thankfulness.

Those taking part were Mrs. Arnold, Mrs. Louise Bourland, Mrs. Allie Wilmoth, Mrs. Edith Collins, Mrs. Thelma Shannon and Mrs. Myrtle McVoy.

Refreshments were served by Mrs. Taylor. Plans were made for a Christmas party to be held at the church Dec. 7.

## HOLIDAY GIFT PROJECT

Senior Girl Scouts met with Mrs. Jackie Frizzell in her home, 1635 Second street, Monday afternoon and will continue to meet on the second and fourth Mondays of each month at her home. Leslie Skelly is president, Ruby Young vice-president, Kathy Brassfield secretary and Sandra Derner, treasurer.

The girls made plans to work on Christmas gifts for needy children to their mothers. Phyllis Frizzell was among those participating.

## \$6215 Spent to Aid Medically Indigent

The Social Planning Council of the Tri-Cities Area United Fund has expended \$6215 of its annual \$8000 allocation for health services. It was reported at a meeting Wednesday afternoon at the Y. C. A.

The greatest expense was \$2068 for heart patients, including one who had open heart surgery, and the second highest was \$1532 for cancer. Other expenditures were for patients with gall bladder, diabetes, cerebral palsy and other ailments.

The health services fund is used to aid medically indigent persons, mostly by purchasing required drugs, and seven additional applications for assistance were reviewed.

Five were approved. One was refused as the council considered the family had sufficient resources and in the second case, the record was incomplete and is subject to further review, according to John Seltenberger, executive director of the United Fund.

The meeting was conducted by Arthur D. Roseman, chairman, with eight council members in attendance.

## PLAN CLASS ELECTION

A meeting of the young people's class was held Tuesday evening at the First Baptist Church, 1247 Klein street, with Mrs. Lorraine Antoine in charge of reorganizing the group, and an election of officers will be held at the Dec. 13 meeting.

## HOSTESS TO CLUB

Mrs. Dorothy Scarlett, 125 Abbott street, was hostess Monday night at a meeting of the Yak Yak club. Games were enjoyed and prizes were awarded to Mrs. Beulah Starnore and Mrs. Frances Crowley.

Mrs. Faye Smith celebrated her birthday and was presented with a gift. Names were drawn for the club's Christmas gift exchange. A luncheon was served, and others present were Mrs. Clara Simmons, Mrs. Estella Bone, Mrs. Fern McMonigle, Mrs. Faye Hinson and Mrs. Toni Rasin, a guest.

## HOSTESS FOR THE MONTH

Hostess for the next meeting will be Mrs. Simmons, 1028 Third street.

## MRS. BROWN HOSTESS

Members of the Lepine club held their monthly meeting Monday evening at the home of Mrs. Address Brown, 801 (rear) fourth street. Prizes for games were awarded to Mrs. Brown, Mrs. Bernice McVoy, Mrs. Hazel Painter and Mrs. Sylvester Meyer.

A two-course luncheon was served, and others attending were Mrs. Jessie Jones and Mrs. Lucy Williams, both of Granite City, and Mrs. Lillian Durer, Mrs. Naomi Boelling, Mrs. Ceil McGee and Mrs. Myrtle Fields, all of Venice.

The next meeting will be the club's annual Christmas party and gift exchange.

## Linda Presswood, president,

is in charge of a brief business meeting held Sunday evening by the Junior Methodist Youth Fellowship. Plans were made to alternate the weekly meetings, one being social and one being devoted to devotions and a chosen program.

Mr. and Mrs. Floyd Morrisphard were dinner guests Tuesday evening at the home of Mr. and Mrs. Albert Harden, 1212 Robin street.

The Delilah Jones circle of Suburban Baptist Church met Tuesday at the home of Mrs. Helen Peterson, 2920 Fortune drive. Prayer chairman Mrs. Leona Fisher opened the meeting with prayer.

A business meeting was conducted by the circle chairman, Mrs. Peterson, and the program, entitled "My Church — Hearing and Obeying," was led by Mrs. Fisher.

Those participating included Mesdames Rose Lux, Norma De Vault, Ruth Bunker, Imogene Smith and Hattie Pryor. A reading of the hymn, "Open Mine Eyes," was given by Mrs. Fisher, accompanied at the piano by Mrs. Peterson.

Refreshments were enjoyed also by Mesdames Lucy Stewart and Eula Junck. Mrs. Stewart invited the ladies for the December meeting at her home 3200 Wabash avenue.

### CHARITY CLASS MEETS

The Charity class of the young people's department of Suburban Baptist church met Tuesday evening at the home of Mrs. Cheryl Cookrell, 2816 Birch street for the regular monthly business meeting and an hour of fellowship.

Refreshments were enjoyed by Mesdames Judy Rushing, Wanda Fox, Brenda Jackson, Carol Hornberger and the teacher, Beth Ward.

### NEW PASTOR, FAMILY WELCOMED BY CHURCH

A pot luck luncheon was enjoyed by members of the Good Shepherd EUB Church Sunday afternoon.

The luncheon was held to honor and get acquainted with the new pastor and his family, Rev. Phillip Burke Jr., his wife, Faye, their son, Phillip Henry III, and daughter, Cheryl Annette.

Welcoming talks were given by Mrs. Judy Rainwater and Mrs. Jackie Thompson.

Games were played and fellowship was enjoyed by approximately 70 persons.

### WMS TO HOLD PARTY

Mrs. Katy Walters, 2801 Forest avenue, entertained members of the Women's Missionary Society of the Good Shepherd EUB Church in her home Monday evening.

The meeting opened with prayer by Mrs. Jane Corbett, and roll call was answered with the title of a favorite hymn. Mrs. Marian Brown gave the devotional "Give God Glory."

Plans were discussed to reveal "secret pals" at the Christmas party in December.

Refreshments were enjoyed by Mesdames Jesse Drury, Faye Barker, Kathryn Sedlack, Jean Thompson, Roberta Gardner, Josephine Matthews, Mary Ivie, Marsha Corden, Lorraine Herren and Virginia Rainwater, and a guest, Mrs. Hoffman from the Wood River EUB Church.

Mrs. Barbara Hesselzand, 2917 Edgewood avenue, invited the ladies to her home for the December meeting.

Mrs. Barbara Miller, 3009 Sunbury avenue, was hostess Monday evening to the ways and means committee of the Wilson school PTA. Plans were discussed for making telephone calls to parents for donations of bakery goods to be sold Nov. 18 at an open house.

Those present included Mesdames Alma White, Ann Hiles, Jennie York, Mary Beth Hughes, Geraldine Rodgers and Ioan McKinney.

### CHURCH CIRCLE MEETS

The November meeting of the Eulene Smith circle of Suburban Baptist Church was held Tuesday afternoon at the home of Mrs. Mae Cavaness, 3612 Kirkpatrick homes.

Prayer opened the meeting and Scripture was read in honor of missionaries with birthdays on that day. Circle Chairman Rosella Fuller conducted the business meeting and the program, "My Church—Hearing and Obeying" was presented by Program Chairman Pauline Demery.

Participating in the program were Mesdames Audrey Kitchen, Mae Cavaness and Rosella Fuller. Refreshments were served.

Others attending included the visiting WMU president, Mrs. Sharon Purkey, and her daughter Jan, and Kathy Kitchen and Kenny Fuller.

Mrs. Edna Hopper, 1716 Sycamore avenue, extended an invitation to her home for the December meeting.

### MRS. MEADOWS HOSTESS

TO PROGRESSIVE CLASS  
The Progressive class of Second Baptist Church met Monday evening in the home of Mrs. Leacie Meadows. The meeting was opened by Mrs. N. O. M. Rongey, teacher.

The group sang a hymn. Mrs. Mina Duggins, president, was in charge of the business session and the 23rd Psalm was recited by the group.

Reports were received from group captains. The next project will be gifts for a shut-in. Prayer was given by Mrs. Ethel Cox.

The next meeting will be in the home of Mrs. Rongey, 2141 Grand avenue.

Others present were Mesdames

Alfne Reagan, Maude Beedle, Edith Wilson, Florence Paul, Louise Daniels, Leon Bonivar, Alay Richards, Iva Biggs, Goldie Smith, Winnie Tucker and visitors, Eunice Yankey, Rosemary Wilson and Ethel Cox.

Four-year-old Patty Box began Sunbeams of Second Baptist Church met Sunday morning with Mrs. Betty Harvengt and Mrs. Charlene Sanders in charge. The children enjoyed creative games, and a story was told concerning a shopping trip the market. There were ten present.

Five-year-old Mary Page Sunbeams met Sunday with Mrs. Betty Lewis, director. A special project was begun for Thanksgiving. Mrs. Lewis told the story of a little girl visiting a market with her mother, using pictures of fruits and vegetables to illustrate the story. Refreshments were served to 14. A gift for a sick child was made and plans were made for a Thanksgiving meeting.

Mattie-Lou Bible Sunbeams and seven-year-old Peter Chen Sunbeams of Second Baptist Church met Tuesday afternoon with Mrs. Arlene Smith and Mrs. Beverly Brown.

Creative games were played and a story, "Francisco's Happiest Day," was told. The children decorated their Thanksgiving box and placed canned goods inside. Approximately 15 were present.

THANKSGIVING PROJECT  
Eight-year-old World Friends Sunbeams of Second Baptist Church met Tuesday afternoon

with their leader, Mrs. Betty Lewis. Each child brought an item of food to be placed in a Thanksgiving box.

Centerpiece for the day was an arrangement of Indian corn, gourds and nuts. Mrs. Lewis told the story of "Francisco," accompanying it with a display of items of food and articles from Brazil. The children made a gift for a sick boy and went together to his home to present it to him. There were ten present.

RA WEEK OBSERVANCE  
Royal Ambassador Week is being observed this week at Second Baptist Church under the direction of the leader, Bob Lewis. The Sunday morning and evening worship services were led by Crusader and Pioneer RA's. The boys in these two groups range in age from nine to 17.

Carlos LeVault, Brotherhood president and Crusader counselor, or, assisted in the services. Gary Wigger, co-congregational singing, David Newberry read Scriptures and Eugene Richardson gave prayer during the worship services.

On Tuesday evening, men of the church met for special prayer for the RA's. On Wednesday evening, Eugene Richardson gave the evening prayer meeting devotions.

Highlight of the week will be RA "family night" to night. There will be a supper for all the boys and their families and for Brotherhood families at 6 o'clock. A play, "The Value of a Boy," will be presented by the boys and men and a film, "The First Thanksgiving," will be shown.

## Team Named for Negotiations With Teachers

A negotiating team was created by the Granite City school board Monday night to confer with representatives of Teachers' Local 743 on terms of an agreement for the period beginning July 1, 1966.

It will consist of Supt. Russell D. Johnson, Board President L. Monroe Worthen and Board Members Daniel Linder and George Moore sr.

Board members suggested that both parties—the school district and the federation—submit to the other party a list of proposed changes in the existing working agreement, salaries and fringe benefits. After the suggestions have been evaluated by the local and by the board, the teams will begin meeting.

With the possibility of frequent negotiations during the coming week, the board decided to omit its Nov. 24 and Dec. 22 meetings. Next regular board meeting is set for Dec. 13.

New Faculty Members  
The board hired Lawrence Diak, Freeburg, Ill., who is graduating from Eastern Illinois University, as a Coolidge junior high science teacher, effective Dec. 1; Carlene Buenger, Rural Route One, Coolidge English and social studies teacher, effective Dec. 1; leave of absence, as Coolidge librarian, effective Jan. 1; and Miss Cassie Mae Dudley, Collinsville, 1965 bachelor degree from Arkansas State College, as Mitchell primary grades teacher, effective Jan. 24.

Russell Chappell, a high school mathematics teacher and coach, resigned as assistant track coach in order to take a part-time position with the Granite City park district.

Leaves of absence effective at the end of the semester Jan. 24 were granted to Mrs. Shirley Claxton, Central Junior high school "block" (English and social studies) teacher; Mrs. Marsha Delevski, Mitchell second grade instructor; and Mrs. Jeanne Francis, Marshall fourth grade teacher.

The board authorized Music Director Louis Meek to attend a meeting of the American School Band Directors in Washington, D. C., Dec. 3-6 and approved a trip by M. A. Wittevrongel, administrative assistant in charge of vocational and adult education, to the 59th annual American Vocational Association convention Dec. 7-10 in Miami Beach, Fla.

Santa to Parachute  
Permission was granted for the Belmore Village Association to utilize the school field across from the shopping center Nov. 26, when Santa Claus is to arrive by parachute to open the holiday season.

The board took a favorable stand on 11 resolutions which will be considered by the Illinois Association of School Boards at its Nov. 29-32 meeting in Chicago.

After reviewing lists of panel discussions scheduled for the state conference, Supt. Johnson, Administrative Assistant Victor Anderson, Worthen, Moore, Linder and Board Member Robert Crider chose specific sessions which they will attend. By going

## Campus Cigarette Sale Ban Urged

Leadership volunteers of 17 units of the American Cancer Society have adopted an expression of support for the action of Irving Dillard of Collinsville, member of the board of trustees of the University of Illinois, in requesting the university to prohibit sale of cigarettes on its campuses.

The action was reported by Basil Contrakon, Springfield, senior director of the Fourth District of the American Cancer Society, Illinois Division.

Dillard based his request to the university trustees on widespread medical evidence that associates cigarette smoking with lung cancer and other diseases.

Citing "official anti-smoking positions taken by many medical and public health bodies, including the U.S. Public Health Service, the American College Health Association and the American Cancer Society," Dillard moved that the board refer to an appropriate committee the matter of the university's ownership, rental and operation of cigarette vending machines, with a view to subsequent further consideration by the board.

It was on Dillard's action that members of the American Cancer Society voted their unanimous endorsement. They noted that lung cancer kills more Americans than any other form of cancer, but that it is one of the most highly preventable forms of cancer. Lung cancer causes 125,000 deaths per year in the U.S., and may be responsible for as many as 300,000 a year in this country, the Society reported, describing it as one of the "most alarming and urgent areas of activity in the total cancer control program."

## Mrs. Margie Mitchell, 75, Dies in Texas

Mrs. Margie Dora Mitchell, 75, of Corpus Christi, Tex., who formerly operated an apartment house at 1310 Eighteenth street for many years, died at 8:30 p.m. Tuesday, at the Lynn Haven Nursing Home, in Corpus Christi. She had been ill with diabetes for several years.

Born in Arkadelphia, Ark., Mrs. Mitchell had lived in Granite City for 27 years prior to moving to Texas five years ago. She was a member of Juanita Rebekah Lodge 477. Her husband, Henry C. Mitchell, a local electrical worker, died here in 1952.

She is survived by a daughter, Mrs. T. C. (Lottie) Nicholson of Corpus Christi; a son, Hugh Stephenson, Alice, Tex.; a sister, Mrs. George (Mildred) Robertson of Belleville; a brother, Fred Martin, Wichita Falls, Tex.; and two grandchildren. Funeral services will be held tomorrow in Corpus Christi.

**Wrong Address**  
Chester W. Vest, 21, who is facing several traffic charges, does not live at 1927 Sleen street, Madison, the residents there advise. It was the address listed on police records. It was reported he had lived on Pershing avenue and recently moved to Rhodes street.

## Christmas 'Talking Letters' For Servicemen Overseas

An increase in the number of "Talking Letters," recorded by ideal relatives for servicemen overseas, is anticipated this year. Mrs. Ruby Overbeck, executive director of the Tri-City chapter, American Red Cross reports.

The annual Christmas project offered free by the local Red Cross chapter will start next Monday and continue through Dec. 10.

Families of servicemen overseas may record messages between 9 a.m. and 5 p.m. each weekend at the Red Cross office, 2035 State street. In order to handle a greater number of requests, the program is being extended from the usual three-week period to nearly four weeks.

Unbreakable plastic discs, each able to record a 15-minute conversation, will be used. Mrs. Overbeck explained. She added that the Red Cross provides a suitable envelope and packing material. The sender is only asked to mail the recording, which usually requires an eight-cent airmail postage stamp.

The executive director said military dependents living at the Army Depot with relatives abroad, exchange students, or new citizens in the community are also invited to use the free recording service.

The local chapter does not own a recording machine. Mrs. Overbeck said. However, Granite City Steel Co. has consented again to loan one to the office for the duration of the Christmas project.

## Two Speeding Charges

Vincent A. Zabotka, 1020 Greenwood street, Madison, and Joseph Easley, 3007 Edwardsville road, were arrested on speeding charges at 23rd street and Madison avenue Tuesday night. They were summoned for hearing by Nov. 19.

## Illinois and RR Tax Battles Creating Better Valuations

Illinois has been a pivotal state in winning more equitable property tax assessments for railroads, a Southern Illinois University-Southwestern Campus economics professor Tuesday told the annual conference of the National Tax Association at New Orleans.

Prof. Leo Cohen stated it is apparent that "the monumental achievements in Illinois are affecting the situation in other states, although complete victory is far from won in many states, especially Arkansas, West Virginia and Wyoming."

Cohen, who is also a research associate in the Public Administration and Metropolitan Affairs Program at the SIU-SW campus, cited a number of Illinois Supreme Court cases decided in favor of railroads which had claimed excessive or discriminatory assessments.

In most cases, the courts have held that railroad property was overvalued by the assessors, or that rates on railroad operating property was not equalized with local property rates.

"Where markets are reasonably perfect, such as the securities market, pricing or valuation is a simple procedure of using market quotations," Cohen stated in a paper read at the conference. "Many difficult problems arise in valuating certain types of properties, such as major industrial concerns and public utilities, which rarely exchange in the market."

He also cited court cases, including appeals by 12 railroads in Madison county this year, of tax discrimination. The railroads argued that their properties are assessed at full value while local

property was assessed at no greater than 50% of value. The railroads won refunds by a state court decision, but an appeal to the U. S. Supreme Court is expected.

Cohen called for professionally trained assessors, free from political pressures.

"The valuation of all types of property is a very technical business which requires well-qualified, honest personnel," he said.

"This is also crucial when one recognizes the dependence the courts place on the role of the assessor, including the so-called judgment factor. . . . And especially is this important in ascertaining values, where mathematical certainty is not possible, but competency is of the essence."

Cohen, who taught at UCLA and Kansas State before joining the SIU-SW staff in 1959, has served as consultant on state and local tax problems in Illinois, Missouri and Kansas.

### Mrs. Shay is Director Of League for Nursing

Mrs. Margaret T. Shay, chairman of the Southern Illinois University-Southwestern Campus nursing department, has been notified of her election for a two-year term of the eight-member board of directors of the South Central League for Nursing.

The South Central region of the Illinois League for Nursing includes 21 counties. President of the South Central League is Oma M. Gardner, director of nursing services at the Decatur-Macon County Hospital.

## Schermer Garden Shop, Greenhouse Open Nov. 30

Schermer Bros. Market at Twelfth street and Madison avenue, will open its new Garden Shop and greenhouse at 1201 Madison avenue on Nov. 30. It was announced today by Leo Schermer, who will manage the new shop and greenhouse.

The main section of the new building, which is located across Twelfth street from the supermarket, is built along colonial wall, and Schermer said this unit on the exterior and inside room will be offered as a free has a tiled floor and large rustic fireplace at one end. That section of the building is 40 by 21 feet. Attached is a greenhouse measuring 30 by 21 feet.

The shop will be opened with a complete line of Christmas decorations of all kinds, including interior and exterior lighting, wreaths, tree decorations and artificial Christmas trees. The

shop will feature Christmas decorations and ornaments during December, garden supplies of all kinds in the spring and summer.

## DOUBLE FIVE MEET WITH MRS. WRIGHT

On Tuesday evening, the Double Five club met in the home of Mrs. Lucretia Wright, 1808 Spring avenue, for its monthly meeting. Fall flowers was the theme used by Mrs. Wright, who had many flowers to decorate her home for the occasion. An artificial turkey was used as the centerpiece in decorating her table, where the guests enjoyed a delectable luncheon.

Mrs. Jo Ann Imboden celebrated her birthday and received a gift from her secret pal.

The next meeting will be held Dec. 14 in the home of Mrs. Sandy Cavar, 101 Del Rio, and secret pal names will be revealed at that time. The club will draw new names of secret pals for the coming year.

Others present were Mrs. LaVerne Hammond, Mrs. Carmine Grider, Mrs. Judy Jones, Mrs. Beverly McRaven and Mrs. DeLores Zeugin.

## NEW OFFICERS ELECTED BY HOLY NAME SOCIETY

Officers for the coming year were elected at the November meeting of the St. Elizabeth Catholic Church Holy Name Society Tuesday evening. In the school cafeteria, with 30 members present.

Those elected were: president, Henry Lamb; vice-president, Roy Ponce; secretary, Ray Taylor; and treasurer, Kenneth Sudholt.

The meeting was called to order by President Everett DeMott, and all the members then recited the Holy Name pledge. A business meeting followed.

Fr. Lawrence Mattingly announced that a new soccer field with bleachers and lights is being installed in the schoolyard for the students.

It was announced that a monthly fish fry will be held Nov. 19. The next monthly meeting will be held Dec. 14 in the school cafeteria.

## JOB'S DAUGHTERS INITIATE MEMBERS

Bethel 43 of the International Order of Job's Daughters of Granite City held its regular stated meeting Tuesday night at the Masonic Temple, where Carroll, honored queen, presided.

Visiting Bethel members were: Honored Queen Barbara Gause of Bethel 88, Wood River; Senior Princess Jeanne Smith, Bethel 88, Wood River; Betty Campbell, grand representative from Illinois to Montana and guide of

## Bethel 95, Altion; and Associate Guardian Irvin Campbell of Bethel 95 of Altion.

Past honored queen Mrs. Pam Love, director of Ephebs of avenue, for its monthly meeting. Bethel 43, was introduced. The guardian, Mrs. Nell Baskette of Bethel 43 of Granite City, was honored.

New members initiated were Valerie Verbyck, Pamela Wilson, Gayle Thompson, Pamela Briner, Pamela Peters and Cindy Blumenstock.

Refreshments were served downstairs after the meeting by the Mothers' club to about 70 persons.

## MRS. JACO HONORED AS RETIRING TEACHER

On her retirement after 44 consecutive years of church school teaching, Mrs. Mertie Jacob was honored during the worship hour at Central Christian Church Sunday morning.

The EMB class marked the occasion with a gift of an orchid corsage and, during the sermon period, testimonials were heard from former pupils and co-workers.

Mrs. Madge Hanson, chairman of the Christian Education department, presented Mrs. Jacob with a plaque in recognition of her years of service to the church.

Those elected were: president, Henry Lamb; vice-president, Roy Ponce; secretary, Ray Taylor; and treasurer, Kenneth Sudholt.

The meeting was called to order by President Everett DeMott, and all the members then recited the Holy Name pledge. A business meeting followed.

Fr. Lawrence Mattingly announced that a new soccer field with bleachers and lights is being installed in the schoolyard for the students.

It was announced that a monthly fish fry will be held Nov. 19. The next monthly meeting will be held Dec. 14 in the school cafeteria.

## JOB'S DAUGHTERS INITIATE MEMBERS

Bethel 43 of the International Order of Job's Daughters of Granite City held its regular stated meeting Tuesday night at the Masonic Temple, where Carroll, honored queen, presided.

Visiting Bethel members were: Honored Queen Barbara Gause of Bethel 88, Wood River; Senior Princess Jeanne Smith, Bethel 88, Wood River; Betty Campbell, grand representative from Illinois to Montana and guide of

Park and also of Colorado and the Smoky Mountains.

Roll call was answered by the members describing corsages they had made for themselves and their guests from miscellaneous household items.

Also discussed was a party the members plan to give for patients of Altion State Hospital at Christmas. They will make musical instruments for the patients, who will accompany the members in Christmas songs.

A fall theme was used by Mrs. Love with Thanksgiving decorations as she served the members and guests a delectable luncheon. Mrs. Fanning and Mrs. Delps assisted her.

On each of the eight tables used, Thanksgiving candles were the centerpieces, with fall flowers serving as placemakers.

Members attending were Mrs. Erma Ernst, Mrs. Wanda Kincaid, Mrs. Mary Markham, Mrs. Charles Guth, Mrs. Ann Metz, Mrs. Pat Polley, Mrs. Clara Schilling, Mrs. Geneva Paul, Mrs. Beulah Miller, Mrs. Lillian Delps, Mrs. Ruth Wolf, Mrs. Ida Huffer and Mrs. Carolyn Moser.

Guests were Mrs. Ellen Waggoner, Mrs. Blanche Revelle, Mrs. Florence Rapp, Mrs. June Lux, Mrs. Linda Paul, Mrs. Marie Fanning, Mrs. Mary Foster, Mrs. Anna Lee Geger, Miss Anna Lee, Mrs. Edna Buenger, Mrs. Erma Schilling, Miss Jean Bethel and Mrs. Ann McIntyre.

The next meeting will be a Christmas party Dec. 14 at Tri-Mor Bowl.

## BRIDGE CLUBS MEET

The Granite City Duplicate Bridge club held a weekly session Sunday evening at the Elks club under the direction of Mrs. Helen Meyer. First-place winners were Dr. Jacob Cohen and Sam Meyer, and second-place winners were Bernice Grzesk and John Baines.

On Monday morning, the Nameki Duplicate Bridge club held its weekly session in the home of Mrs. Sam Meyer, 2832 Yale drive. Hostess for this session was Mrs. Helen Collins, and it was directed by Mrs. Helen Meyer.

First-place winners were Lou England and Mrs. Helen Todd; second place, Grace Enos and Mrs. Meyer; and third place, Golda Bieser and Mrs. Jerry Siebold.

The Nameki club will meet again next Monday at 10:15 a.m. Sunday at the Elks. The public is invited to attend either or both sessions.

50 YEARS AGO  
Nov. 11, 1915  
Members of the Janis Lodge of Rebekahs of Granite City were in Madison in a body to attend the ceremonies of instituting a chapter of the lodge in that community. In addition to the Granite City lodge, members of the lodges of East St. Louis and other cities attended.

The ceremonial work was directed by Mrs. Ottila Parker of St. Louis, past president of the Missouri assembly. Several St. Louis Rebekahs accompanied her to Madison. The new lodge started with a membership of 36.

The Women's Christian Temperance Union was entertained at the home of Mrs. Daisy Fossick, 2240 Lincoln avenue, Mrs. Charles Radmore and Mrs. Fred Smith of St. Louis and Mrs. Robert Miller of Madison were present.

Mrs. Radmore is an enthusiastic worker in the St. Louis WCTU. She gave a talk on the work they are doing and told of assisting in the Free Clinic Cigarette Cure last year. She said they treated 1051 cases in less than four months.

Mr. and Mrs. Bert Gordon, Orville Gordon and daughter, Joanita, were visitors in St. Louis Sunday.

The ladies of the EMB club of the Central Christian Church Sunday school defeated the men of the Christian Brotherhood in a six-week contest for new members, according to the results announced at the close of the contest this week. The women had secured a total of 31 new members, while the men of the Brotherhood had 44 new members.

There were 309 members present at the Sunday school session.

William Becker and Miss Mona Horan of Centerville visited Mrs. Horan's aunt, Mrs. A. F. Howe of Granite City, who also is entertaining another niece, Mrs. C. J. Kellum of Kewanee, Ill.

Little Miss Canilla Furlong, 2010 Grand avenue, entertained a number of her friends in honor of her fourth birthday. Guests were Irene Stuart, Lillian and Martha Hamm, Hazel E. Maher, Edith Meyer, Elizabeth and Charles Dell, Thelma Tompkins, Helen Ricker, of St. Louis, Grover and Allen Norwood and Walter Furong.

Bob Schmitt came down for the weekend from Ashland, Wis., where he is employed as a chemist, to spend the Armistice Day weekend with his parents, Mrs. E. G. Schmitt of Cleveland and Mrs. E. G. Schmitt of Cleveland.

Miss Agnes Zydell celebrated her birthday at a surprise party given by a group of friends in the Zydell apartment, 12534 Niedeberg avenue, Monday afternoon with six Misses Doris Sheridan, Lee Barbieri, Miss Virginia Lee, Mrs. Alice Coleman, Miss Lorraine Schult, Norbert Homyer, John Bartillo and Mr. and Mrs. Tony Michaels.

Miss Lora Belle Scrivner, 1520 Fourth street, Madison, entertained Misses Joan Bethel, Marjorie Smith, Catherine Hayes and Mrs. Hayes, Mrs. S. D. Crawford, Mrs. Pauline Scopellito and Mrs. Della Rose, all members of her bridge club.

The Madison County Symphony Orchestra will give its first concert of the season under the direction of Charles J. Meek at the Alton high school auditorium. Seven members are from Granite City: Alice Coleman, Lorraine Schult, Lorraine Baxter, Elmyra Griffiths and Aline Seneca.

The Granite City YMCA basketball league will get under way next Sunday with games being played each Sunday, starting at 1:15 p.m. The Freshmans and Hedges will meet in the first tilt, followed by Wood River vs. Venice, and Lohaves vs. Swifts.

E. E. McNary reported that Horseshoe Lake was frozen Tuesday evening, ending for the time being the season of ice skating. The water is very shallow in the lake, being only about 14 inches at the deepest point, it was reported.

The fish are easily captured and have been removed from the lake in great quantities. The price was down as low as five cents a pound.

Madison Man Aboard USS Kitty Hawk  
Seaman James T. White Jr., U.S.N., whose parents live at 1119 Logan street, Madison, is serving aboard the attack aircraft carrier USS Kitty Hawk, which sailed for Hawaii in late October. The carrier, which carries a complement of more than 6000 men, will undergo her operational readiness inspection in Hawaiian waters, after spending most of the summer training for her deployment to the Western Pacific command in November. Kitty Hawk is the United States' first guided-missile aircraft carrier and was commissioned in 1961.

## Dr. SIMS says... SAFEGUARD YOUR HEALTH

A PUBLIC SERVICE OF THE ILLINOIS STATE MEDICAL SOCIETY

GET BEHIND THE TEAM BEHIND YOUR DOCTOR  
Every minute of every hour in many Illinois communities, someone is looking for a doctor. That person, the problem is urgent, desperate and pressing.

A stroke victim's wife is trying to find a treatment center which the family can afford to pay. Factory workers are lining up in front of a mobile TB detection unit for a chest X-ray. At a rehabilitation center in one of the hospitals, crippled children are learning to walk again... play again... laugh again.

Divergent and disconnected as these health activities seem to be, they are part of the 278 services offered by more than 100 voluntary health agencies throughout our nation... and possibly in your community.

Research, Service, Education  
Like a vast army, these agencies are cutting a swath through the deadliness of disease with programs of research, direct services and education to professionals and laymen alike. In addition, they serve as consultants and advisors to all other agencies.

Some of these agencies are small... some large. Some deal with a single disease, while still others deal with common problems resulting from a variety of diseases.

### FEARS FEDERAL CONTROL OF SCHOOLS, TEXTBOOKS

To the Editor:  
Reports are being circulated around Washington that the federal government is preparing a campaign to rewrite the history books used in our educational system.

This is, without a doubt, one of the most appalling disclosures that I have heard of since my tenure in the House of Representatives.

It is my understanding that the drive to rewrite the textbooks is under the auspices of the Community Relations Service, an agency created by the 1964 Civil Rights Act to help mediate racial disputes.

It is the feeling within this agency that the history books do not give fair treatment.

This may or may not be true; but the issue involved here is not one of civil rights, it is one of censorship rights.

I do not vacate my position of equal justice for all Americans, having always supported civil rights legislation and the right of the goal of giving everyone his rightful place in history books is commendable.

Again I say, the real issue is not one of civil rights but one of censorship rights.

In other words, should the responsibility of writing, or re-writing, textbooks used by children remain with qualified educators, free of federal influence, or should it be handled by the federal government?

We are headed toward the latter if we let the Community Relations Service get away with this proposed program. We will have given the Office of Education a precedent to accelerate its plans for federally-written textbooks and a federally-controlled curriculum.

I have considerable doubts as to whether or not the Community Relations Service has the legal right to perform the function of rewriting textbooks to be used by our schoolchildren.

I support the idea for which the Service was created—that being to provide assistance to communities and people in settling disputes—nothing more.

I strongly oppose any attempt by the federal government to dictate what will and what will not be in our textbooks because, in my opinion, this is not just a step down the road to dictatorship, it is a giant's leap down that very road.

In a confidential memorandum to the Community Relations Service suggests:  
"Once the educational information and information campaign is solidly underway, we should conduct a systematic effort to contact all publishers and school boards to encourage their publication and adoption of textbooks conforming to established standards."

The term "established standards" is a euphemistic way of saying it is going to set standards and censor the reading materials of our school system.

Extra Effort Needed To Put Local United Fund Campaign Over The Top

In football, "second effort" often makes the difference between victory and defeat.

In the current Quad-City United Fund drive, the time has arrived for "second effort"—contributions by those who have not yet contributed, and increased gifts by those who may have reduced their support.

As this was being written at mid-week, slightly over \$344,000 or 98.9% of the \$348,500 goal had been attained. With extra effort during the next several days, Quad-Cityans have a U.F. campaign victory within their grasp.

### Veterans Day Honors Guardians Of Liberty And Human Dignity

Veterans Day 1965 finds American fighting men once again in combat on foreign soil—under circumstances different and yet much like those of past wars.

Since the first Armistice Day 47 years ago, the beneficiaries of their valor and sacrifice have paused each Nov. 11 to honor those who took up arms—especially those who gave their lives so that present and succeeding generations could live in peace.

Their dream of full and lasting peace has not yet been attained, but their efforts have not been in vain. The holocaust of a third world war has been avoided; each year, new millions enjoy self-government in a civilization that blends majority rule with respect for human life and protection of individual liberty and dignity.

Veterans Day 1965 brings with it new appreciation of our soldiers, airmen and marines and those who have worn those uniforms proudly and honorably in the past.

And it brings new hope that the day may come when our worthy goals, good will and armed might can provide such an effective deterrent that wartime combat can be moved from the news pages to a permanent and hallowed place in the pages of history.

### The Great Peanut Controversy

One of the epic confrontations of all time may be shaping up in Washington, where peanut butter manufacturers are manning the ramparts on behalf of their present 73% peanut spreads. The Food and Drug Administration is demanding 90% and a women's federation we confess we had never heard of has drawn the line at 95%.

Arrayed on one side are investigators who report use of shortening made from hydrogenated oil, and on the other side are loyal forces whose battle cry is a question: "Can 50 million American children be wrong?" Only allegiance not yet smeared is that the peanut controversy is just a "big smear."

### Multi-Layer Jr. College Control

Supervision of a junior college district, such as the proposed Madison county junior college now being studied, involves multiple layers of authority, it is brought out in a question raised by the Illinois General Assembly and signed by Gov. Otto Kerner Jr. on June 1.

The State Junior College Board which the new law created is under the general jurisdiction of both the legislature and the Illinois Board of Higher Education.

The junior college board is on a par with three other boards—Southern Illinois University trustees, University of Illinois trustees and the state teacher college board. However, it deals with the state's junior colleges and sophomore years only.

In its turn has general supervisory jurisdiction over the junior colleges and sophomore years only.

All existing junior colleges are automatically included in the Class II junior colleges. By meeting specified criteria, Class II junior colleges may qualify to become Class I, enabling them to obtain an extra \$2 state aid per student.

The board is empowered to make a "thorough, comprehensive and continuous study of the status of junior college education, its problems and needs for improvement and projected developments."

It is to make a detailed report to the General Assembly by March 1 of each odd-numbered year, submitting recommendations.

The work will be supervised by Mrs. Earl Miller Sr. The working committee is headed by Mrs. Charles H. Simpson, with the direction of Warren Simpson, with the church or by Russell West, accompanying.

### Electronic System Offers Advantages Of Voting Machines At Less Cost

Despite the advantages of mechanical voting machines over manually-marked paper ballots, only three Illinois counties use them—St. Clair, Cook and Rock Island. Not the least of the reasons for their absence in the other 99 counties is their cost—about \$1700 a machine.

Now, however, a new technology may enable Madison and other counties to leapfrog to electronic voting devices costing an estimated \$185 each, slightly over one-tenth of the cost of the large hardware machines.

A new state law granting permission for an electronic voting system defines it as one in which the voter records his votes by means of marking or punching a ballot or one more ballot card, which are so designed that votes may be counted by data processing machines at one or more counting places.

The voting process currently being considered in Lake county involves signing in at the polling place, receiving a special card and stylus, putting the card in the machine and flipping pages in a plastic folder while punching a vote for each candidate separately. The card is placed in a ballot box and taken to a central counting station for tabulation.

Subject to approval by the State Electoral Board, Governor Kerner, Secretary of State Powell, Auditor Howlett, Attorney General Clark and Treasurer Scott—the Lake County Board has voted to buy 1156 electronic voting units, including 289 ballot boxes and storage units, for \$213,460 from a number of several manufacturers.

A decision is expected soon from the state, and if it is favorable the new equipment will be used in the June 1966 primary election.

The new technology use of such systems for all or some precincts, alone or in combination with paper ballots, but leaves it up to the five state officials to approve specific marking devices and automatic tabulating equipment and to determine the number of voter booths required for the different systems.

Although slightly more complicated than present paper ballots, the card procedure appears to be simpler than operation of voting machines and offers the same advantages of instantaneous compilation of results—speeding the determination of winners and reducing opportunities for fraud.

Madison county officials undoubtedly will want to keep up-to-date on the progress of electronic systems, so that they will be able to make an informed decision for or against adopting similar voting devices.

### Victory For Union Democracy

The "people's right to know" about government is defended primarily by the press. Within specific organizations, it is the task of each member to safeguard his right to knowledge and supervision of what his officers are doing.

A milestone in keeping government officials accountable to their members, the disclosure that President Hoffa spent \$570,396 in international teamster funds for his legal fees from 1962 through 1964.

The U. S. Labor-Management Reporting and Disclosure Act provides that officers must hold the money of a labor organization for the benefit of its members, and provides for suits to recover misused funds or property. Hoffa declined to allow 16 Philadelphia members to examine his records, and it was their complaint that enabled federal authorities to take action.

In an extended legal fight to obtain the records, the Labor Secretary refused to investigate and disclose his findings to complaining members and to the public was upheld by the Circuit Court of Appeals, and the U. S. Supreme Court refused to review the matter.

Hoffa's refusal to disclose his financial records to defend their rights thus led to a key victory in the continuing fight to maintain democracy within labor organizations.

Even counting this evening, we can find only 37 more shopping days until Christmas. Looks like we're going to have to either change to a different calendar, or get to work on our shopping list.

### TODAY'S INVESTOR

BY THOMAS E. O'HARA  
Chairman, Board of Trustees  
National Association of Investment Clubs

I bought Comsat at about \$22 a share, and today it's up to \$40. Should I sell and take my profits?

A Comsat is an unusual stock in that it is a private corporation that also has the interest and blessing of the United States government. In addition, foreign individuals are interested customers and their governments are keeping a friendly eye on the corporation.

The price of any stock is determined by two things: (1) the public's demand for it and (2) its profits.

So far, Comsat has not earned a cent of profit; furthermore, the time when its stock can be expected to sell on its own earning power is still in the future that we can't even guess when it will be.

Consequently, any profit in owning Comsat right now rests solely in the glamour and trading demand of the stock itself. When the price of a stock depends on its future ability to recoup its cost of dropping drastically in a weak market are greater than for a stock that has earnings.

Members of the Janis Lodge of Rebekahs of Granite City were in Madison in a body to attend the ceremonies of instituting a chapter of the lodge in that community. In addition to the Granite City lodge, members of the lodges of East St. Louis and other cities attended.

The ceremonial work was directed by Mrs. Ottila Parker of St. Louis, past president of the Missouri assembly. Several St. Louis Rebekahs accompanied her to Madison. The new lodge started with a membership of 36.

The Women's Christian Temperance Union was entertained at the home of Mrs. Daisy Fossick, 2240 Lincoln avenue, Mrs. Charles Radmore and Mrs. Fred Smith of St. Louis and Mrs. Robert Miller of Madison were present.

Mrs. Radmore is an enthusiastic worker in the St. Louis WCTU. She gave a talk on the work they are doing and told of assisting in the Free Clinic Cigarette Cure last year. She said they treated 1051 cases in less than four months.

Mr. and Mrs. Bert Gordon, Orville Gordon and daughter, Joanita, were visitors in St. Louis Sunday.

The ladies of the EMB club of the Central Christian Church Sunday school defeated the men of the Christian Brotherhood in a six-week contest for new members, according to the results announced at the close of the contest this week. The women had secured a total of 31 new members, while the men of the Brotherhood had 44 new members.

There were 309 members present at the Sunday school session.

William Becker and Miss Mona Horan of Centerville visited Mrs. Horan's aunt, Mrs. A. F. Howe of Granite City, who also is entertaining another niece, Mrs. C. J. Kellum of Kewanee, Ill.

Little Miss Canilla Furlong, 2010 Grand avenue, entertained a number of her friends in honor of her fourth birthday. Guests were Irene Stuart, Lillian and Martha Hamm, Hazel E. Maher, Edith Meyer, Elizabeth and Charles Dell, Thelma Tompkins, Helen Ricker, of St. Louis, Grover and Allen Norwood and Walter Furong.

Bob Schmitt came down for the weekend from Ashland, Wis., where he is employed as a chemist, to spend the Armistice Day weekend with his parents, Mrs. E. G. Schmitt of Cleveland and Mrs. E. G. Schmitt of Cleveland.

Miss Agnes Zydell celebrated her birthday at a surprise party given by a group of friends in the Zydell apartment, 12534 Niedeberg avenue, Monday afternoon with six Misses Doris Sheridan, Lee Barbieri, Miss Virginia Lee, Mrs. Alice Coleman, Miss Lorraine Schult, Norbert Homyer, John Bartillo and Mr. and Mrs. Tony Michaels.

Miss Lora Belle Scrivner, 1520 Fourth street, Madison, entertained Misses Joan Bethel, Marjorie Smith, Catherine Hayes and Mrs. Hayes, Mrs. S. D. Crawford, Mrs. Pauline Scopellito and Mrs. Della Rose, all members of her bridge club.

The Madison County Symphony Orchestra will give its first concert of the season under the direction of Charles J. Meek at the Alton high school auditorium. Seven members are from Granite City: Alice Coleman, Lorraine Schult, Lorraine Baxter, Elmyra Griffiths and Aline Seneca.

The Granite City YMCA basketball league will get under way next Sunday with games being played each Sunday, starting at 1:15 p.m. The Freshmans and Hedges will meet in the first tilt, followed by Wood River vs. Venice, and Lohaves vs. Swifts.

E. E. McNary reported that Horseshoe Lake was frozen Tuesday evening, ending for the time being the season of ice skating. The water is very shallow in the lake, being only about 14 inches at the deepest point, it was reported.

The fish are easily captured and have been removed from the lake in great quantities. The price was down as low as five cents a pound.

## MHS Honor Students See SIU-SW Students To Register for Winter Term Soon

By MARY TROBAUGH

The Madison high school chapter of the National Honor Society recently visited the McDonnell Planetarium in St. Louis. James Loy, faculty sponsor, accompanied the 52 members.

The lecture was about the "Realm of the Galaxies." The group also viewed the seismograph which had recorded the recent earthquake in the area.

Officers for the Madison high school band have been elected. They are Tom Williams, president; Robert Robbins, vice-president; Marianna Fisk, secretary; and Leslie Sabo, treasurer.

The band's first concert will be held Dec. 9 in the high school auditorium. Season tickets may be purchased from any band member.

The college prep and speech students plan to attend the matinee and evening performance at the American theater, St. Louis, next Wednesday.

Junior varsity cheerleaders for the year have been chosen. They are Marsha Davis, sophomore; Mary Lee Champion, sophomore; Tazraza Curry, junior; Leslie Hulse, sophomore; and Patty Messer, sophomore.

The Junior Red Cross chapter has been making various Thanksgiving decorations to be sent to Scott Air Force Base Hospital.

Miss Ellen Folmer, faculty sponsor, believes the project will bring some cheer to the servicemen in the hospital there.

## History Students At VHS To Attend 'The Trojan Women'

By JUDY REIDELBERGER

The world history class at Venice high school, along with the teacher, Mrs. Otha Cross, plans to attend "The Trojan Women" by Euripides next Wednesday at the American theater, St. Louis.

The group will travel by bus. Planning to go are Amy Thurman, Mary Owens, Owen Graham, Frank Glover, Jean Gardner, Gerald Langston, Charles Barbee, Vera Brown, Charles Cooper, Edward May, Leonard Scaturro, Barbara Mulnik and Delores Day.

The American College Test will be held Saturday morning at Granite City high school. VHS seniors who will take the test are Barbara Mulnik, Terry Cooper, Jesse Hall and Judy Reidelberger.

## Open House Saturday At Alton Nurse School

The annual open house at the St. Joseph School of Nursing at Alton will be held from 2 to 4 p.m. Saturday with an invitation to all students and parents interested in becoming better acquainted with the nursing profession.

Following a welcome, activities will include tours of the hospital and nursing school, a panel discussion by the faculty and a reception for all guests.

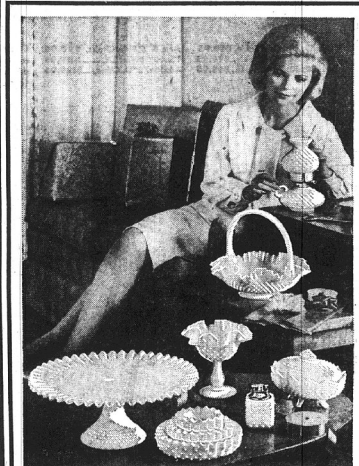

Special exhibits are being prepared by freshmen and junior classes, and student nurses will conduct the tours and preside as hostesses at the reception.

# Local Man Serves As Dog Show Judge

Dr. Charles Chapman of Clayton, Mo., who serves as board chairman of the Yorkshire Terriers Club of Missouri, reported today that John Birdsong of Granite City was a judge for the Greater St. Louis Yorkshire Terrier AKC Show, held this week. Birdsong operates a canine grooming business at 2012 Washington avenue.

Interest in the Yorkshire Terrier breed currently is increasing in the metropolitan area, Dr. Chapman relates. He added that any registered "Yorkie" pet is eligible to be entered in shows, not only the 24-inch coat breed as many owners believe. Further information may be obtained by calling Dr. Chapman at FA 1-1030.

# Santa to Arrive Nov. 26 for Annual Visit

Santa Claus will arrive in the Quad-Cities for his annual pre-Christmas visit at 9 a.m. on Friday, Nov. 26, it was announced this week by the Associated Retailers & Civic Association.

His cabin headquarters, which now is being refurbished, will open at noon on the same day, and the retailers also are announcing the annual "Friday-after-Thanksgiving Day" movie in the Washington Theatre will be from 9:30 a.m. until 5 p.m.

At the cabin headquarters, 19th street and Edison avenue, Santa

will give candy treats to all his young visitors, and a photographer will be present to take pictures of youngsters sitting on Santa's knee.

Street decorations in the downtown business district will be turned on for the first time on Nov. 26. Retailers are balloting now on whether holiday season night hours are to start the week of Nov. 29 or Dec. 6.

Santa's arrival at 9 a.m. on conduct after police received a complaint that someone was pounding on windows at 719 West 28th street. He pleaded guilty and was fined \$15 and \$5 costs on each charge.

Nov. 26 will be at McKinley Bridge in Venice, and he will stop at 9:06 a.m. at the Venice post office to chat with youngsters.

His parade schedule calls for stops at Third street and Madison avenue in Madison at 9:35 a.m., at Bellemore Village shopping center at 10 a.m., at Nameoki Village shopping center at 10:30 a.m., and for his arrival at the cabin headquarters at 18th street and Edison avenue at 11:30 a.m.

Throughout the parade, Santa will have with him a large mail box to receive letters and gift requests.

Car in Alley Ticketed  
Leslie Holik, 1623 Cleveland boulevard, was ticketed for blocking an alley with his auto in the 2200 block of Edwards street at 1:15 a.m. Tuesday.

## Flyers, Maroons Tied for SW Conference Lead

Belleville vs. Granite City, and the magic word is win. A victory for Belleville would give the Maroons all the impetus necessary for its traditional Thanksgiving Day game against the current Southwestern Conference co-leaders, the Flyers of East St. Louis.

A loss would put a feather in the Warriors' bonnet and the pressure on Belleville.

East St. Louis, in trouncing Wood River 27-0 last weekend, extended its winning streak to four conference games, and is tied with Belleville, which easily downed Edwardsville 34-0.

The Oilers of Wood River and the Granite City Warriors are tied for third place in league play with identical 3-2 records. Each team has one conference game to play.

Alton moved into the fifth spot with a 2-7 win over Collinsville. Alton is now 2-3 in conference play and Collinsville is 1-4. Edwardsville is in the league cellar with a 0-6 record.

Cahokia proved itself to be the Midwestern Conference champs with a 4-0 rout of Madison. Highland finished in second place with a league mark of 3-2, while Madison, Roxana, Bethalto tied for third with 2-3 records.

Dupo remained in the league cellar with a 1-4 conference mark.

## Overton Holds 2 TD Lead Over Lane in Area Scoring Race

Larry Overton of Cahokia continued to add to his area scoring lead at the expense of Madison's Trojans in his team's final game. Overton scored twice on runs of 29 and 30 yards and boosted his lead at the expense of Madison's Trojans in his team's final conference game.

Ron Lane of East St. Louis, Mike Hudock, Wood River, and scoring one touchdown last week, Barry Schuebach, Highland, round out the top ten. Rohr has 44 points, Hudock 43 and Schuebach 42.

In the Southwestern Conference play only, Dvorchak leads the pack with 30 points. Hudock, Granite City's Gary Johnson, Lane, and Joe Robertson and Jim Gillespie of East St. Louis are all deadlocked with 24 points apiece.

Over in the Midwestern Conference, where all teams have concluded league action, Overton wears the scoring crown with 54 points.

## Park District Needs More Teenage Bowlers

Additional teenage students are needed to complete teams in the boys and girls high school bowling leagues, sponsored by the Granite City park district, it is announced by Park Supt. Harold Brown.

More than 90 fifth through ninth grade youngsters have registered for the winter bowling program, to be conducted each Saturday morning at the Tri Mor Bowl, the park official said. However, more high school age participants are being encouraged to register to bring the older groups to a competitive level.

Starting with a beginners' individual basis.

A 30-cent-per-game bowling fee is charged, Brown said, and shoes may be rented for ten cents per session. He added that monogrammed bowling shirts are provided by team sponsors in the junior and senior high leagues. The program is open to youngsters living in the Granite City park district. Participants may enroll as a team, or on an individual basis.

## Attend Parents' Day At Central Methodist

Mr. and Mrs. Gerald Lux were in Fayette, Mo., this week to attend Parents Day at Central Methodist College where their son, Gerald II is a junior. He was recently elected vice-president of Burford Hall house council and was initiated into Delta Sigma Psi social fraternity. He is also president of the pledge class for fall '65. Police said the woman was going west on Market street and was making a left turn when the car went out of control and crashed through the concrete wall. Mrs. McKel was traveling west on 23rd street. Lee told officers that he was driving south when his car skidded off the road and overturned.

## Representatives Named To J. A. Association

Junior Achievers of the Granite City center were elected to represent their companies to the Junior Achievement Association at a special meeting held Sunday. They are Jerry Edwards, Genco; Candy Yodis, Genco; Sharon Koch, General Products; William A. Rekowski, Kamico; George Few, Dow; Grill-Matt; Kaye Jenkins, Dixie Rod Steel; Linda Grotz, Junior Chemists; Essie Jackson, Safco; Paulette Deroussell, J.A. Coors; Sheila Adams, Mag-A-Rack; Gary Hopkins, Stecco; Katherine Judy, Space; and Wanda Jackson, Jumbo. To represent each night at the center are Eugene Vrenick, Monday; Shelby Bone, Wednesday; and Wanda Jackson, Thursday. Wanda Jackson also was elected as the representative for the Granite City center. The J. A. Association meets periodically in St. Louis, and those elected are to attend the sessions. Its purpose is to promote Junior Achievement through civic functions, social affairs and cultural events. Representatives of the local center will turn their attention to progressive awards, coronation ball, officer of the year award and other matters pertaining to the betterment and development of J. A. in the Quad-Cities area. The J. A. bank, sponsored by First Granite City National Bank, elected officers. They are Edward Merz, president; Linda Barr, vice-president; Patricia Cavness, secretary; and Sandy Barber, treasurer. Terry Laney, top salesman in the Granite City area last year, now is serving as secretary to the center manager, Gene Rekowski, on Thursday nights. She is out of school and no longer eligible for J. A. work, so she is volunteering her time.

## Physics Instructor Gets \$2000 NSF Grant

A \$2000 grant from the National Science Foundation, Washington, D. C., has been awarded Southern Illinois University-Southwestern Campus in support of research by a faculty member in SIU-SW's Science and Technology Division. Recipient of the funds is David R. Slotboom, instructor in physics at the University's East St. Louis teaching center, who will use the grant to continue special investigations in the field of plasma physics which he began the past summer. Slotboom arrived here in September from California State Polytechnic College, San Luis Obispo, where he was an assistant professor.

## Prof. Taylor Writes Book on Marriage

A 192-page book entitled "Marriage Counseling: New Dimensions in the Art of Helping People" by Dr. Donald L. Taylor of Southern Illinois University-Southwestern Campus social sciences division has just been released by publisher Charles C. Thomas, Springfield. In his book, the professor of behavioral sciences considers in detail cultural and social dimensions and offers practical direction to doctors, ministers, educators, psychologists, sociologists, social workers, and lawyers. He brings to the art of counseling—the dimension of reciprocity—the consideration of two people taken together—and he shows how to establish an effective client-counselor relationship.

## Job's Daughters to Aid Christmas Seal Program

Miss Sue Carroll, honored queen of Job's Daughters Bethel 43, will lead about 30 girls Saturday in distributing tuberculosis Christmas seal placards to stores and offices throughout the Quad-Cities. Thousands of Christmas seals have been mailed to area residents by the Madison Tuberculosis Association, and funds derived from the seal sale are used to finance the annual free chest x-rays conducted each spring for the detection of possible TB cases. The placards are distributed by the local Job's Daughters to assist the county-wide program. Last year, the free x-rays uncovered 12 active cases of tuberculosis, 36 tuberculosis suspects, 12 malignant chest cancers, 30 chest tumors and 72 cases of emphysema county-wide. The Christmas seal sale goal this year is \$50,000 to cover the cost of the free x-rays, research to finance the annual free chest x-rays conducted each spring for the detection of possible TB cases. The goal is unchanged from last year.

## Seek Blood Donors At SIU-SW Centers For Vietnam Troops

Students at the new Southern Illinois University-Southwestern campus are joining with those from across the nation in providing blood for American armed forces in Vietnam. Solicitations for blood are now underway, and two donor periods have been scheduled for university facilities when visited by the bloodmobile from St. Louis, Mo. It will be at the East St. Louis center Dec. 7 and at the Alton center Dec. 8. Roy Manning of the SIU-SW Student Council asked all leaders of student groups to seek support of their members in the campaign. He is chairman of the council's newly-formed committee for student responsibility in local, state, national and international affairs. The project was initiated by the Eta Phi Sigma scholarship fraternity in East St. Louis and the Student Tutoring Association and quickly spread to the other two centers. More than 350 pledges for blood donations have been received at the Alton and East St. Louis centers. Claude Curtice and Miss Beth Sprague, Red Cross representatives, said if enough donors volunteer at the two centers, an additional collection will be scheduled at the main campus. SIU to Move into New Engineering Buildings With an engineering enrollment already triple that predicted for 1965, Southern Illinois University's School of Technology soon will begin moving into its new building complex at Carbondale. Julian H. Lauchner, SIU technology dean, said one section of the multi-story complex will be ready to receive equipment in a matter of weeks. Two other buildings are in less advanced stages of construction. The technology complex contracted at basic construction costs of \$4,354,585, is the final project undertaken with funds from Southern's share of the 1960 state university bond issue. It will provide quarters for SIU's programs in engineering, engineering science and engineering technology, as well as those in technological education. Lauchner said there are currently more than 600 engineering students enrolled at SIU, "and by 1970 I wouldn't be surprised to see 3000."

## 2 GC Students at EIU Now-Student Teaching

Two local Eastern Illinois University students are among 167 EIU seniors who are currently student-teaching in 21 Illinois communities. The program is conducted under the supervision of 202 cooperating teachers. Miss Phyllis Kowala, daughter of Mr. and Mrs. Theodore Kowala, 3232 Carlton avenue, an English as a second language student, is teaching English at Charleston high school in Charleston. She is a member of the Sigma Kappa social sorority at Eastern. Teaching algebra and geometry at Marshall high school, in Marshall, Ill., is Miss Sandra Finke, daughter of Mr. and Mrs. Walter Finke, 2535 Benton street. A member of the Alpha Gamma Delta social sorority, Miss Finke is a mathematics major and business minor.

## Chamber Music Program Friday at Alton SIU-SW

A program of chamber music will be presented by members of the fine arts division of Southern Illinois University-Southwestern at 8:15 p.m. Friday in the Alton center auditorium. Featured guest star will be internationally-known soprano Flore Ward. She will sing two arias from Bach's cantata, "Weichet Nur, Betruibet Saechten," with oboe, strings and continuo, and Mouret's "Regina Coeli," with string accompaniment. The University String Quartet and other individuals also are featured. The program is open to the public without charge.

## Tips For Safe Walking Given by Safety Council

The high percentage of traffic mishaps involving pedestrians requires concentration on measures which might be taken to reduce the number. It was noted by the Quad-City Safety Council and local police departments.

Throughout the state last year 374 pedestrians were killed and 49% of the pedestrian deaths involved persons crossing streets in mid-block. Children aged five through nine years had the highest fatality rate for not crossing at an intersection.

### Suggested Rules

The Quad-City Safety Council lists the following rules for pedestrians:

Cross only at crosswalks or intersections.  
Look left, then right, before crossing a street or highway.  
Keep to the right on crosswalks to avoid confusion that may result in an accident.

Carry umbrellas and other objects in a manner that will not obstruct your view of traffic.

### Watch Traffic Lights

Cross only on green light or walk signal at intersections controlled by traffic lights.

Be extremely cautious and walk slowly on slippery pavements.

Look for traffic before stepping from in front of a stopped car or bus.

Do not walk or stand between parked cars.

Enter and leave vehicles on the curb side only.

When it is necessary to walk on a rural pavement, walk on the left side and step off to the left when traffic approaches.

Wear something white at night or carry a flashlight. Remember that drivers may not see you even though you see them.

## First Assembly Dedication Will Start on Friday

Dedication-convention days will be held at First Assembly of God Church on Grand avenue, beginning Friday and continuing through Nov. 21.

The fall Fellowship dinner will be held at 6:30 on Friday with the Rev. James Kofahl, of Prichard, Ala., as speaker. Dedication of the Education Building and its facilities will take place Nov. 14 at 2:30 p.m. and there will be a homecoming service in the morning. Rev. Kofahl also will speak on this occasion. He is a former pastor of the church here.

Another highlight next Sunday will be the open house at 4:30 and a tour of the new educational building.

The missionary convention will begin Sunday, Nov. 14, and continue through Nov. 21. Services are to be held each night at 7:30 except Saturday, Nov. 20.

Rev. Jack West, one of the Assemblies of God's outstanding evangelists, will be the convention speaker. He will be assisted in the services by missionaries from several fields.

Rev. J. Boyd Wolverson is pastor of the church.

## Optimists Begin Youth Appreciation Activities

Continuing to Sunday, local Optimist clubs along with hundreds of other Optimist clubs throughout the world are observing "Youth Appreciation Week."

The annual tribute to youth emphasizes the attitudes and activities of "decent young people, who comprise 95% of all youthful citizens in the community," reports Don Z. Farrington, YAW chairman.

About 75 local high school students will be luncheon guests at the Granite City Optimist club today in the YMCA. The group will hear an address by Sheldon "Chief" Bender, St. Louis Cardinal official.

## GC Parking Meter Fees Decline During October

Granite City parking meter fees totaled \$2885 during October—\$151 less than in the same month a year ago—but fines amounted to \$389, or \$165 more than in October 1964.

According to a report by Comptroller John Doohier, fine and fee collections of \$3054 last month increased to \$3124 the total amount of income from parking meter operations thus far this year. Last year at the same time, total collections of both fines and fees amounted to \$32,429 or \$1305 more than this year's total.

The October collection of fees was the third smallest this year, but the collection of fines was the second largest for any month of the year, indicating increased enforcement efforts by the police department. The fine collections in October were exceeded only by the previous month of September when they amounted to \$482.

Largest collection of both fines and fees for any single month was in July when the total was

### Engagement Is Announced

Mr. and Mrs. Gilbert Richter, 2201 Miracle avenue, are announcing the engagement of their daughter, Miss Phyllis Ann Richter, to Eldon Geske, whose parents are Mr. and Mrs. Samuel Geske of Hardin. Wedding plans are indefinite.

The bride-to-be, a graduate of the Granite City high school, is employed in the Boy Scout council office. Her fiancé, a graduate of the Calhoun high school, was employed by Granite City Steel Co. before entering military service. He is stationed at Fort Leonard Wood, Mo.

### Garden Club Yule Workshop

The Cloverview Garden Club held an all-day workshop Tuesday at the park district community center.

Instruction and demonstrations on Christmas wreath-making and decorating were given by Mrs. Carl Heumann of East St. Louis and Mrs. Harry Fraunfelder of Collinsville and luncheon was served by the hostess, Mrs. Robert McCauley.

Also present were Mrs. John Jenkins, club president; Mrs. August Thies, Mrs. B. C. O'Neill, Mrs. Ray Williamson, Mrs. V. J. Lisac, Mrs. George Knapp, Mrs. Louise Sedlack, Mrs. John Lentz and Mrs. Elwood Ackerman.

### Miss Cardner Is Engaged

Mr. and Mrs. Howard Hahn, 1304a Niedringhaus avenue, are announcing the engagement of her daughter, Miss Janice Louise Cardner, to David Clark Thomson, a son of Mrs. Caywood Thomson of Versailles, Ky., and the late Mr. Thomson.

The bride-to-be is a senior student in the School of Music at the University of Kentucky in Lexington. Mr. Thomson graduated from Transylvania College in Lexington with a degree in mathematics and the University of Kentucky with a B.A. degree in music. He is presently doing graduate work in music at UCLA.

The wedding will take place Dec. 23 at a Presbyterian Church in Versailles, Ky.

### HOME ON LEAVE

Seaman 1/C Pat N. Alexander, who has been stationed at N.A.T.T.U. Naval Base in Philadelphia, is home on a ten-day leave visiting his brother-in-law and sister, Mr. and Mrs. Charles Schubert, 2312 Fortune drive, and his father, Arthur N. Alexander. He is being transferred to Pensacola, Fla., Naval Aviation Officers School and will leave Tuesday for his new assignment.

## Now! '66 Chevelle Malibu by Chevrolet

### Two racy new hardtops

Take your pick of 12 racy-looking new Chevilles in all, including a clean-sculptured new sport coupe with recessed rear window, and—for the first time—a 4-door Chevelle Sport Sedan.

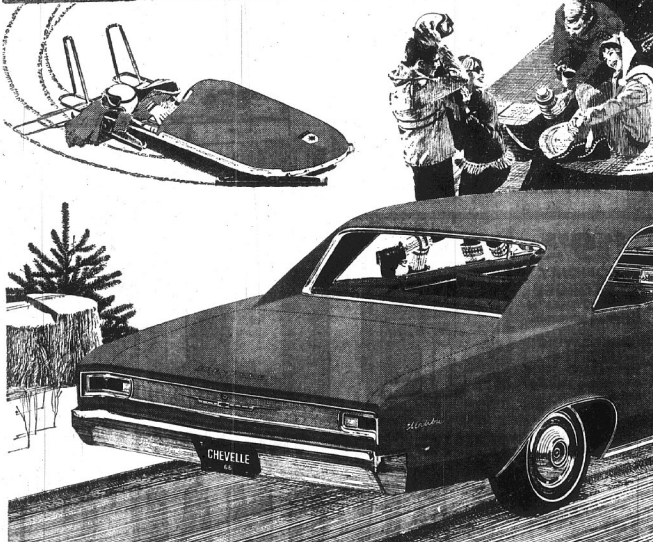

Not only will you find more variety in the '66 Chevelle lineup, but even more of what makes a Chevelle a Chevelle.

Say, for instance, you pick a new Malibu Sport Sedan and specify the new 250-hp V8. You've got yourself quite a machine.

Or pick a Malibu Sport Coupe, equip it with the new Strato-bucket front seats and order the new 275-hp V8. You've got yourself even more machine.

Or maybe you'd like to pick a new black-grilled SS 396 Coupe or Convertible. (Standard engine is a Turbo-Jet 396 V8 with 325 hp. And there's also a 360-hp version you can specify.) Now you've got yourself the most.

Which '66 Chevelle for you? The answer to that covers a lot more ground than we can here. And that's where your Chevrolet dealer comes in.

## Steel Work to be Started On New GCHS Cafeteria

Structural steel work was started this week on the two-story masonry and steel building to house new cafeteria facilities and additional classroom space for Granite City high school students.

Located adjacent to the northwest corner of the present high school building and behind Memorial Gymnasium, the \$623,714 structure is slated for completion by the start of the 1966-1967 school term.

The lower floor's dimensions of 185x124 feet will contain modern kitchen facilities and a seating area able to handle 3200 students within a two-hour period. The new cafeteria also is expected to

provide the community's first suitable accommodation for large group functions and civic dinner to house new cafeteria facilities and additional classroom space for Granite City high school students.

Extending over an open patio area and corridor that fronts the building, the second floor will measure 71x124 feet. Seven classrooms, a teachers' lounge, two rest rooms and a custodian's supply room will be located in the upper story.

Funds for the high school construction project were approved by Granite City school district voters on May 6, 1964, as part of a \$2,390,000 school bond referendum.

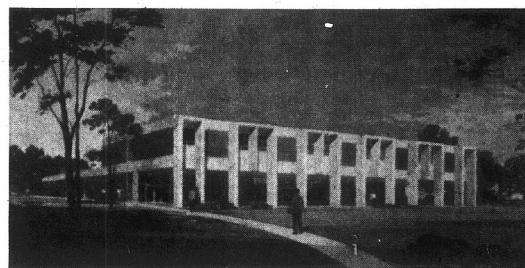

The total amount also covered funds for construction of the new Pontoon road junior high school; Parkway elementary school; an addition to Niedringhaus school and purchase of a site for a new Mitchell grade school.

### School Open Houses Are Continuing

Schools are closed today, Veterans Day, but on Friday parent-teacher conferences will be held from 2:15 to 3:30, continuing the observance of American Education Week in the Quad-Cities and several are scheduled for next week. Dunbar school will have open

house from 9 a.m. until 4 p.m. with luncheon to be served to parents and children.

Frohshart school will hold open house on Tuesday, Nov. 16 in the evening, and Niedringhaus school also on Tuesday from 7 until 8 p.m. Wilson school will hold parent-teacher conferences each evening through Nov. 16 with open house on Thursday, Nov. 18, from 7 until 8 p.m.

### Services for Brother Of 2 GC Residents

Funeral services were held yesterday at St. Patrick's Church, Alton, for Alphonse (Shorty) Barnhorn, 82, of Fosterburg, Ill., a brother of Mrs. Marie Ambs and Mrs. Eva Dilow of Granite City.

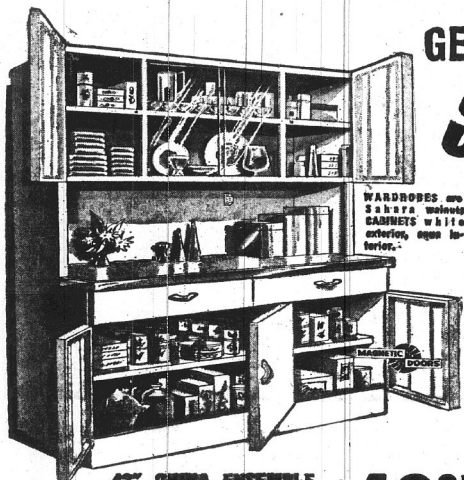

Mr. Barnhorn, who died at 5:15 a.m. Sunday, following a six-month illness, had been a patient at St. Anthony's Hospital, Alton, for the past month. He was married in Granite City in 1906 to the former Katie M. Schroeder of Portage Des Sioux. His wife died in 1964.

Born in Augusta, Mo., Mr. Barnhorn moved to the Alton area in 1907 and was one of Wood River's early settlers. He had operated a grocery in that community before going to work for American Oil Co. in 1918.

Besides the two local relatives, Mr. Barnhorn is survived by two sons, Harold, Alton, and Ralph, Godfrey; one daughter, Mrs. LeRoy Jones, Godfrey; two brothers, Anthony, Alton, and Victor, Wood River; a third sister, Mrs. Leona Taylor, St. Louis; and six grandchildren.

## 25 Attend Mayor Partney's Open House

Mayor Partney's open house at the city hall Monday evening was attended by about 25 citizens whose problems ranged from high water bills to the nuisance of a dilapidated vacant house in a neighborhood.

The session, held in the city council room, also brought forth complaints by several residents along Clark Avenue seeking adequate drainage of that area east of the Nameoki storm water drainage ditch.

Condemnation is being sought for a vacant house along Edna street, which was termed a blight for the neighborhood.

Several complaints from scattered areas of the city by residents seeking cleanup of junk, old autos and other debris from yards in their neighborhoods were referred to the city inspectors.

One resident complained that trash barrels in the downtown business district always are full. Mayor Partney said the containers are being checked every two days.

The open house sessions are held at 8 p.m. on the second Monday of each month—an off night for the city council.

**New Front Added to  
Fire-Damaged Site**

A new brick front is being added to the former Adams Tires, Inc., building at 2250-52 Madison avenue, which was damaged extensively by fire about a year ago, as part of an exterior remodeling program.

Carl Miller of the Miller-Wolf Real Estate agency, owner of the building, said the firm plans to retain ownership of the building for rental as office space or as a location for a business. He said little will be done toward remodeling the interior of the building until the quarters are rented.

In this way, Miller said, interior remodeling will be carried out to suit the needs of the lessee.

## Year's Freight at Locks Up Nearly 2 Million Tons

Freight tonnage passing through the Chain of Rocks Canal during October reached 2,288,729 tons, but 586,535 tons less than the all-time record high tonnage of August, amounting to 3,875,255 tons.

The engineers report showed that 466 vessels of all kinds used the canal during October, compared to 426 in September. These included 354 barges, compared to 337 in September, and 788 towboats, compared to 738 in September. The October report showed 15 passenger boats and 198 private recreation boats also passed through the canal. U. S. Traffic moving down river in-

cluded: petroleum products, 231,400 tons; grain, 1,097,350; coal, 1450; cement, sand and gravel, 18,600; sulphur, none; miscellaneous commodities, 45,850; iron and steel products, 116,550, and chemicals, 24,900.

During the ten months of the current year, a total of 7338 towboats passed through the locks. Other craft using the canal during the ten months included 33,085 barges, 15 passenger boats, and 1623 private recreation boats. Government craft using the canal included 70 towboats, 443 barges,

27 small craft, five construction boats and 108 patrol boats.

Jacob's struggle at Peniel and the conversion of Paul will be included in the Bible lesson Sunday at First Church of Christ, Scientist, 2560 Delmar avenue, as well as all other Christian Science churches. It will illustrate spiritual transformation. The Lesson-Sermon is on the subject of "Mortals and Immortals."

#### In Memoriam

In loving memory of my dad, HUBERT WHITE, who was killed while deer hunting, one year ago, Nov. 14, 1964. I have not forgotten you, nor do I intend to.

I think of you so often, and will to the end, Gone and forgotten by some you may be, But, dear to my memory, Dad, you ever will be.

DAUGHTER, CATHY  
33-11-11  
In loving memory of CLARENCE PRESTON PEACH, Nov. 12, 1964.

Our thoughts go wandering when daylight fades  
To the land of long ago  
And memory paints the scenes of old  
In the gold of the twilight glow  
We seem to see in the soft, dim light

A face we love the best  
And think of him when the sun's last ray  
Goes down in the far-off West.  
Sadly missed by—

#### Eagles Canned Goods Dinner Set for Nov. 17

The Eagles lodge will officially open its annual canned goods drive with a kickoff turkey dinner at 6:30 p.m. Wednesday, Nov. 17, at the Eagles home, 2538 Madison avenue.

A program with speakers is being arranged by Lessee Brown, banquet chairman. Tickets at \$1.50 each may be obtained from Brown, at Carl Buehler's barber shop or at the Eagles club room. To get a fast start in the drive, Brown urged donors to bring canned goods to the banquet. He said this year's goal is to exceed last year's record of more than 5000 items.

The canned goods will be given to the Salvation Army for distribution to the needy at Christmas.

#### Progressive Club to Send Holiday Baskets

The Women's Progressive club of West Madison held a monthly meeting Tuesday evening at the community center. Plans were made to send cheer baskets to shut-ins for the holidays, and a memorial service was held for two deceased members.

Mrs. Margaret Green and Mrs. Wadie Baucum reported on progress of the "Headstart" project, and Mrs. Rose Parnell, Mrs. Christine Haynes and Mrs. Jewel Barnes gave a report on a recent annual council breakfast which they attended in Alton.

A Christmas party will be held in connection with the December meeting. Present beside those mentioned were Mosamias Bertha Oliver and Roberta Barts. Mrs. Barnes presided at the meeting.

## Mayor Urges Improvement of GC Business Buildings

Improvement in the appearance of business buildings as well as homes was stressed this week by Mayor Partney in his move to improve the overall appearance of the city.

Beautification for a small business can be achieved through clean areas and simple lines just as can be done for a home," the mayor said.

"The experience of successful businessmen has shown that tasteful signs and clean buildings increase business," the mayor added, "and it is a known fact that customers avoid stores that look neglected or suggest an 'I don't care' attitude of the proprietor."

**Mayor's Advice**  
His advice to the owner of a small business is—"You hold an important position in the campaign to beautify our city, but you must not shrug off as unimportant the blight many small business owners have created with gaudy signs and dirty clutter around doors, walls and windows."

"What can you, as one business owner do?"

"First, you can take a good objective look at your store."

"Is it clean?"

**Signs, Displays**

"Do you utilize simple good taste in signs and displays?"

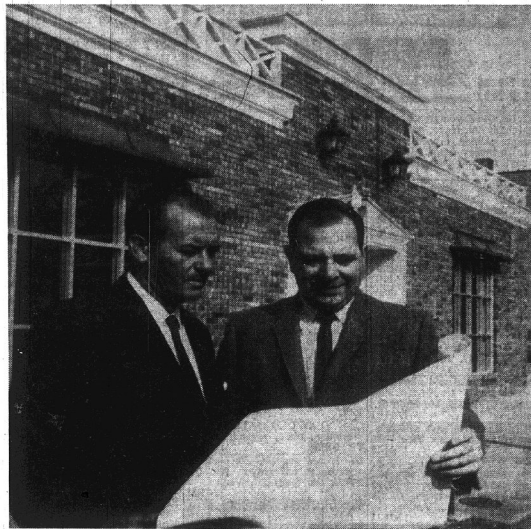

"Will your store draw rather than repel the eye of an observer?"

"Most important, will you be open to helpful suggestions from any interested observer?"

"Then you can set an example for others to follow and encourage them to do just that."

Major improvements to commercial buildings are not being overlooked by the mayor, who pointed out the two outstanding newer downtown buildings erected to replace older structures that had been damaged by fire.

These include the Steinberg Furniture store in the 1800 block of State street and the new post office building on Niedringhaus avenue which is being re-

The mayor is chatting with David Steinberg, proprietor of Steinberg Furniture Co., 1825 State street. The colonial-style store was rebuilt following a destructive fire.

opened this week for J&R Motor Supply store.

"There are many others," the mayor said, "including developments in areas other than downtown. These, too, are important to our city's appearance."

#### Driver Fined \$100, Costs

James E. McMahon, 2336 Lincoln avenue, was fined \$100 plus \$20 costs Monday by Magistrate Hiscott on a charge of driving while intoxicated filed Oct. 5 by Granite City police.

#### 10-Day License Suspension for Boundary Tavern

A 10-day suspension of the license of the Club Boundary tavern, 1344 State street, was ordered at a hearing Tuesday by Mayor Donald Partney, city liquor commissioner.

The suspension, based on a charge of selling liquor to minors, went into effect Monday, when the tavern was closed by Mrs. Violet Zilibotti, 41, proprietor.

She was fined \$50 and costs last week by Magistrate Merlin Hiscott after she had pleaded guilty to selling liquor to three 19-year-old Granite City youths who were accompanied by a 19-year-old girl.

The complaint was filed by Floyd Jeff, assistant chief of police. Others at the hearing were Harold Hillner, deputy liquor commissioner, and Richard Allen, city attorney.

Following the fine, a large sign was placed on the front door reading, "If you are under 21, do not enter."

#### Two Solicitors Arrested

James Rodgers, 24, St. Louis, and Bobbie L. Huffman, 22, of 648 Margaret street, Mitchell, were charged with failure to obtain a solicitor's license in different arrests Tuesday night following several complaints. They were released on \$30 cash bail pending hearings set for Monday.

## State Capitol NEWS

### Studded Tires Illegal

Tire manufacturers and dealers were warned last week by Francis S. Lorenz, public works director, that metal studded tires are illegal for use on Illinois highways. In a letter to manufacturers he pointed out that recent advertising offering the tires for sale is misleading to motorists. Lorenz called attention in his letter to the Uniform Act Regulating Traffic on Highways that provides in part: "No motor vehicle shall be operated upon the improved highways of the State which shall be equipped with any anti-skid or non-slip device so constructed that any rigid or non-flexible portion of same comes in contact with the pavement."

Lorenz concluded by urging all tire manufacturers to refrain from advertising or selling metal studded tires for use on Illinois highways and also requested that tire dealers be advised of the prohibition.

**Deer Permit Quotas**

William T. Lodge, director of the Illinois Department of Conservation, has announced that shotgun permit quotas have now been reached in counties of Tazewell, Oglesby and Macoupin. This brings the number of deer hunting counties that are closed to 38. Dates for deer hunting this year are Nov. 19, 20 and 21 and Dec. 3, 4 and 5.

Lodge also reminded shotgun deer permit holders to retain their plastic permit envelopes as they will not be provided after 1965.

### Child Abuse Reported

Cases of suspected child abuse involving 138 children have been reported since the state child abuse law took effect four months ago, according to Cyril H. Winking, director of the Illinois Department of Children and Family Services.

Winking said two-thirds of the cases involved beatings and one-sixth included fractures. Other types of abuse reported were malnutrition, burns, stabbing, poisoning, molesting and failure to administer needed medication.

Of the department's eight regions, Chicago had the most reported cases, 81. The Springfield region had the fewest, 3. Reports to other regions were as follows: Aurora, 14; Rockford, 7; Peoria, 10; Champaign, 8; East St. Louis, 11 and Carbondale, 1.

The law requires physicians, other practitioners and hospital administrators to report cases of child abuse and neglect to the department within 24 hours of the examination of the child.

### Highway Beautification Plans

Engineers of the Illinois Division of Highways are developing plans to expedite use of the state's \$300,000 share of \$70,000,000 appropriation by Congress for highway beautification. Virden E. Staff, chief state highway engineer, has announced. Staff said that \$3 million of the state's portion of the beautification funds will be used for highway landscaping, construction of rest areas and purchase of scenic easements along the 14,000 miles of interstate and primary highways in Illinois. No state matching funds will be required.

### Turtles May Infect

Pet baby turtles are linked with salmonella infections in human beings, according to recent reports. Dr. Franklin D. Yoder, director of the Illinois Department of Public Health, said last week that turtle-related cases have been reported in Illinois.

Turtles are most frequently handled by children who, as a group, are not careful to wash their hands. Children are more susceptible to salmonellosis than adults and their infections are more severe. The infection is marked by violent diarrhea and cramps.

### Traffic Deaths

October traffic deaths in Illinois totaled 210, according to provisional reports released by the Division of Highways and the State Highway Police. This is a reduction of 3% from the 218 deaths in the same month last year.

The death toll for the first 10 months, which now stands at 1767, represents a decrease of one percent from the 1790 for the same period last year.

### District Governor Is Rotary Guest

More than 50 members of the Granite City Rotary Club attended a noon luncheon meeting in the YMCA Tuesday noon to welcome District Gov. Ernest T. Trosky as a guest and to present annual reports on club activities and plans for the coming year.

Trosky, who lives in Edwardsville, addressed the club members on the importance of knowing the club's objectives and carrying out a program of well planned activities. He urged members to follow the club slogan of "Service Above Self," and to apply the club's Four-Way Test to their activities.

He congratulated the club on its attendance record and program and discussed plans to the International Ball to be held in St. Louis soon. The Granite City club will sponsor the attendance of ten foreign exchange students at the ball.

Club chairman presented reports on activities of the organization during the past year and discussed tentative plans of their 1965 program.

#### Man Fined for Conduct

James Coffman, 26, of 2204 Ohio avenue, was arrested at 3:30 p.m. Monday on a disorderly conduct charge. Police said he had picked up several children on their way to school, gave them a dollar and drove around several blocks before dropping them off at school. He pleaded guilty and was fined \$15 plus \$5 costs by Magistrate Hiscott.

## State Aid Payments to Local Schools--\$186,512

The tenth of 12 payments of state aid to Madison county school districts totaled \$597,981 of which \$186,512 went to the three local school districts. It was announced this week by Wilbur R. L. Trimpe, county superintendent of schools.

The Granite City district received the largest amount in the county—\$144,363, topping Alton by over \$21,000.

Allocations to other local districts are \$36,557 for Madison and \$26,524 for Venice.

#### Speeding Charge Filed

Neil D. Lampe, 2231 Washington avenue, was arrested at 8:25 p.m. Monday on a charge of speeding at East 23rd and August streets. He was summoned for a hearing by Nov. 16.

## Smear Spectacles Lead to Accident

An East Alton man who apparently thought he was safe to drive with dirty eye glasses found that it is less safe to clean them while driving.

As Sam L. Dillard was cleaning his spectacles, they dropped to the floor of his auto, and as he bent over to pick them up, his car struck the left rear of another owned by Herschel Hicks, 2310 Missouri avenue, parked in front of Hicks' home at 6 a.m. Tuesday.

Besides facing the cost of repairs to the damaged auto, Dillard was charged with careless driving and is subject to a fine.

#### Steak Burns in Broiler

Firemen were called to the home of Charles Alexander, 2924 National avenue, at about 10 p.m. Monday when a steak was burning in a broiler. The only damage was to the steak.

## Book Cites Press-Record's Success in Opposing Crime

The Press-Record is featured in a book, "The Mass Media and Modern Society," published nationally this year by the Holt, Rinehart and Winston firm of New York City.

It was written by Theodore Peterson, dean, and Jay Jensen, faculty member of the College of Journalism and Communications at the University of Illinois, Urbana.

After a section dealing with newspaper editor slain by three men and memorialized by a series of annual lectureships intended to keep his "crusading spirit alive in other newspapermen," the authors write:

"Some of his spirit does exist even among small-town newspaper editors. Personal threats and a burst of pistol shots through the window of his newspaper plant in December 1955 did not halt a campaign which C. E. Townsend had undertaken in

Granite City, an Illinois community of about 30,000.

#### County Corruption Ended

"His semi-weekly Press-Record exposed gambling, prostitution and underworld influences for several years and eventually effected a clean-up of Madison county."

"I am opposed to organized vice because of its corrupting influence on government," Townsend said in 1958. "In my time I have seen plenty of public officials corrupted in Madison county."

"Convinced that a newspaper need not be neutral to be fair, Townsend has conducted campaigns which contributed to a \$2,000,000 bond issue for school buildings, a new post office building, a city zoning plan and other community developments."

"For his community service, the Illinois Press Association chose him as its Illinois Editor of the Year," Peterson and Jensen relate in the book.

## Youth Focus

### 2 CYO Delegations Attend Convention Started in Chicago

Delegations from Catholic Youth Organizations at St. Elizabeth's parish and St. Mark's parish, Venice, will attend a national CYO convention today through Sunday.

Twenty-eight local youths will be among 10,000 delegates convening at McCormick Place. President Hubert Humphrey and Sam Levenson, television comedian. The theme will be "Christ to the World."

Two members of the St. Elizabeth's CYO are on national committees. They are Randy Lam-bert, national elections committee, and Joyce North, national credentials committee.

Leaving by auto from St. Mark's this morning were Mary Catherine Miller, Mary Frances Lee, Phillip Daniels, Mike Leath-erman, Jim Miller, Jack Lee and Tim Tolliver and chaplains, Dr. and Mrs. John Lee and Mr. and Mrs. Jack Tolliver.

Others of the St. Elizabeth group which left by train this morning are Ruth Costello, Michael Forcades, Angela Gasparovic, Cheryl Guth, Charles Henry Jr., Gregory Homyer, Sherry Howard, Kathy Judy, Alan Kriesch, Richard Lucido, Patricia Parker, Agnes Pisel, Janice Placon, Richard Reber Jr., Cathy Schmidt, Patricia Schmidt, Mary Schuler, Nancy Vesce and Kathy Weissenborn.

Adult advisors, accompanying them are James N. Reinhardt, Marie July and Geraldine Reber.

Members of the Creighton University alumni and parents of current Creighton students are being invited to an annual alumni party set for Nov. 27 at Slay's restaurant in St. Louis.

Three staff members from the Jesuit school in Omaha, Neb., will be special guests. They are Rev. Carl M. Reuter, S.J., president of the Creighton Development Foundation; Bernard J. Conway, director of alumni activities; and Leo Pieper, assistant director of alumni activities.

Other girls interested in joining the squad, which will perform both at home and away, may attend try-outs at 1 p.m. Nov. 20 at the YMCA.

#### Latin American Studies Meeting at SIU Today

Specialists in Latin American studies from midwestern universities will meet at Southern Illinois University's Carbondale campus today through Saturday.

To be held at Morris L. Leary Auditorium, the annual meeting of the Midwest Association for Latin American Studies will open at 8 p.m. Thursday with Latin American music by the University Glee Club, Robert W. Kingsbury directing.

### 3 Small Sisters Share Aspirin, Stomach Lavages

Three little sisters who shared a bottle of 48 baby aspirin Monday apparently suffered no ill effects after each received a stomach lavage at St. Elizabeth's Hospital and were released.

Two candied pills remained stuck in the bottom of the container, their mother reported, otherwise the brand new bottle would have been entirely emptied.

The trio are one-year-old Angela, Vicki, two, and Cathy, three, daughters of Mr. and Mrs. Walter Griffith, 2812 Harding Blvd.

Mrs. Griffith said her oldest daughter, who loves to climb, must have reached the medicine by first climbing on a chair, then into a sink and finally leaning over to a window ledge to find the pills.

None of the candied aspirin were found scattered about the house, she said, so apparently the youngsters consumed them all.

### Cheerleaders Formed For Teen Town Cagers

The YMCA Teen Town basketball team has its first cheerleaders who made their initial appearance at an opening game with Assumption CYO Monday night.

Phyllis Rosenberg was elected captain of the squad. Others are Jane Priol, Mary Todaro, Susan Thomas, Marilyn Glaz, and Suzanne Reiman.

Other girls interested in joining the squad, which will perform both at home and away, may attend try-outs at 1 p.m. Nov. 20 at the YMCA.

### YMCA Offers Junior High Course in Art

A special supplementary art course for junior high school students is being offered by the YMCA beginning Nov. 20.

Registration may be made by contacting the "Y" youth department. Classes will be held from 2 to 4 p.m. for six Saturdays. The cost is \$1.25 per lesson or \$6 for the total course for non-members of the "Y" or \$5 for members.

The instructor will be Mrs. Phil Spence, 2336 Cardinal avenue, a local artist.

#### Pool Tourney Set at 'Y'

The Blue Knights will sponsor a pool tournament Nov. 26 at the YMCA. The fee will be \$1 per person. Trophies will be awarded to first and second-place winners.
